Now that the fields are all aglow with Scotch broom, and the air fragrant with apple and peach blossoms, autoists are on the alert for a day of sunshine to go sight seeing. The last few days being so delightful, many jolly parties have visited the neighboring cities.

About thirty of our theatrical lovers autoed to the capital city Monday night to see "Peg O' My Heart" at the Grand. J. Hartley Manners fills his play with youth and comedy and the stellar role being played by a clever, vivacious western girl, Peggy O'Neil, makes quite an attraction.

Last Sunday afternoon, Miss McAuley, Mr. Murphy, Miss Robinson and Mr. Whiteaker, in company with Mr. and Mrs. Sherman Hayes, had quite a pleasant run to Dallas and Salem by auto.

Saturday afternoon the members of the L. T. L. complimented their little co-workers, Harriet and Rachael Wiltse with a going away reception. The little honorees with their mother, Mrs. Wiltse, will leave soon for Canada where they will reside permanently. The children have a host of play mates who are sad to have them go away.

COMING WHITE HOUSE WEDDING

The approaching marriage of Miss Eleanor Wilson and Secretary of the Treasury McAdoo will take place Thursday, May 7. We are indebted to a Washington correspondent for the following interesting gossip regarding the event:

The wedding of Miss Eleanor Wilson, youngest daughter of the president and Mrs. Wilson and Secretary of the Treasury William Gibbs McAdoo, will be the fourteenth to take place in the White House. The fact of their engagement is said to have leaked out at Williamtown, the home of the Sayres. The same rumor insists that the announcement of the engagement of Miss Margaret Wilson and Boyd Fisher of New York and Princeton will be made soon; that it has been planned to make public both engagements at the same time. Rumor also has it that the plans were for a double wedding in the spring.

When Miss Jessie Wilson and Francis Bowes Sayre were married last November an oval, flower-decked table, with the bride's cake as the center decorations was set in the small breakfast room off the state dining room at the White House. In this room reserved exclusively for the bridal party and a few intimate friends, one of the gayest of the guests was Mr. McAdoo. The wedding cake was cut and Miss Eleanor Wilson got the ring. Later, when the bride threw her bouquet, Miss Margaret Wilson caught it. Immediately after the reception Secretary McAdoo made his way into the east room and was the first of those to dance. After the dance he sat at the foot of the altar. It was remarked then that he was fated to become a bridegroom.

It is quite certain that Mrs. Sayre will be her sister's matron of honor and that Miss Margaret Wilson and Miss Nona McAdoo will be the bridesmaids. It has been suggested that Mrs. Charles Martin of Arizona, Mr. McAdoo's eldest daughter, will be one of the matrons of honor. There is little doubt that Miss Ruth Hall of Princeton, who has spent the winter in Washington and who is Miss Eleanor Wilson's chum, will be one of the attendants and that Miss Marjorie Brown of Atlanta, a cousin of Miss Wilson, who was a bridesmaid for Mrs. Sayre also will be an attendant.

Close-Tillicum Close Season

Mr. and Mrs. A. L. Sperling extended their charming hospitality to the members of the Close-Tillicum club last Thursday night. Their attractive suburban home was made more beautiful by vases of lilacs placed here and there through out the card rooms, where tables were arranged for "500". This being the last meeting of the season the guests were in an unusually hilarious mood and a grand finale of pleasure was reached. The hostess served a most tempting luncheon and the guests departed cherishing the memories of many pleasant evenings together.

The services at the Christian church were again well attended and enjoyed last Sunday. This Sunday we hope to be able to say the same again.

Mr. Crow's sermon for the morning hour will be "How to Remove Hindering Causes" and in the evening, "Every Man His Own Gardener." The choir will sing "Give Me Strength To Conquer" by Dressler at the eleven o'clock service and following the evangelistic song service at eight they will render by request, "He Is Not Here, He Is Risen" by Harter. State Normal Notes

President Ackerman was in Spokane last week attending the Inland Association for teachers and reports a very interesting meeting. He was well pleased with the attitude of the various teachers.

The Delphian Society gave a dancing party to the students of the Normal Saturday evening, April 18. The Gymnasium was artistically decorated in Delphian colors. The first half of the dance was a cotillion. The last half was a dance. There were many present and they enjoyed themselves immensely. They expressed the wish that the Delphians would give a cotillion dance every year.

The children of the training school and the Agriculture class are busy working on the school gardens. The work is under the supervision of Mr. Gilmore. The plants already look in the best of condition.

Brownsville Times—Miss Ina White, who is attending the State Normal at Monmouth, spent the Easter vacation at her home in this city. Bess Palmer and Jesse Hardy, fellow students at Monmouth, accompanied Miss White and were her guests while in the city.

JUDGE GRANT B. DIMICK
Republican Candidate For Governor of Oregon

To the Legal Voters of Oregon:

I have filed my declaration with the Secretary of State as a candidate for the Republican nomination for Governor, and as the law limits the expenditure of each candidate for this office to 15 per cent of one year's salary, I am compelled in order to abide by the spirit and letter of the law to avoid making an expensive campaign and in order to reach the voters whom I will not be able to meet in person I herewith submit through the press for your consideration the following:

First—I stand for a strict and rigid enforcement of every criminal statute.

Second—I favor equitable labor laws giving to the laborer just consideration.

Third—I am opposed to high and extravagant legislative appropriations and the constant creation of salaried boards and commissions which carry with them an army of employees to be paid by the taxpayers of the state.

Fourth—I stand for the constant improvement of our public school system free from extravagance, and should the Supreme Court of the United States declare a forfeiture of the lands now held by the Oregon & California Railroad Company, then and in that event I favor urging Congress to place those lands at the disposal of the irrevocable state school fund of Oregon.

Fifth—I stand for the permanent improvement of the public roads from the market centers into the agricultural districts, the same to be built under skilled management, so as to get full value for the money expended.

Sixth—I favor a constitutional amendment allowing the Governor to veto any one or more items in any appropriation measure without vetoing the entire measure.

High tax levies are usually the result of excessive appropriations and experimental legislation, and the most effective cure for that abuse is to be more careful in the selection of your legislative members.

I was born in Marion County, Oregon March 4, 1869, and was educated in the public schools, McMinnville College and the State Normal School at Monmouth, Oregon; admitted to the bar by the Supreme Court in 1895; served five terms as Mayor of Oregon City, three years as Deputy District Attorney; elected Presidential Elector on the Republican ticket in 1904, and County Judge of Clackamas County in 1906. I am deeply interested in agricultural pursuits, own and manage the Dimick Stock Farm at Hubbard, Oregon, and publish the Western Stock Journal at Oregon City.

I respectfully submit my candidacy to the consideration of the Republican voters of Oregon.

GRANT B. DIMICK.

JONES FOR CONGRESS

To the Electors of the Congressional District:

I am a candidate for Congress on the Republican ticket at the primary election to be held May 15th. Briefly, first I stand for the improvement of our rivers and harbors. For the enacting of new or the amending of the present homestead laws to cut out the cultivation clause, and make it possible for the wilds of Oregon to be settled. For the surveying and classifying of the 16,000,000 acres of land in our Forest Reserves, that the agricultural and grazing land may be opened to settlement. For free tolls on American bottoms. For government aid for good roads. For just and liberal compensation for all labor, and for national suffrage for women.

If the Government shall finally win the suit now pending against the Oregon & California Railroad Company, I will do all in my power to keep these lands from being placed in the forest reserves, and will work to the end that the grazing and agricultural lands therein be opened to settlement under the homestead laws.
