## THE SOCIAL WORLD

BY VIRGINIA SOUTHERN

Contributions to this department (libly received).

We just shake hands at meeting  
With many that come night;  
We nod the head in greeting  
To many that go by.  
But welcome through the gateway  
Our few old friends and true;  
Their hearts leap up, and straightway  
There's a open house for you old friends.  
There's open house for you.  
Gerald Massey.

The pretty custom among the children, of leaving a May basket at the door of a friend, was not overlooked last Friday morning for many children were up bright and early to take baskets of flowers to their little friends and the childish heart was made light and happy.

Mrs. E. E. Paddock, soprano, was soloist at the Methodist church Sunday morning. Her song was most heartily received. Mrs. Knapp was accompanist.

The May day dancing party given by the Wacantans last Friday night was a very smart social event. The club colors, lavender and white were artistically carried out in all the appointments, and suspended May baskets filled with fragrant lilacs entered the spacious dancing hall.

The last few days being so ideal, picnic parties are being enticed to rustic scenes. The following ladies are enjoying an outing at Black Rock: Miss Burton, Mesdames Huff, DeArmond, Hal Hibbs, Dee Taylor and Guy Walker. The party left early Wednesday morning motoring to Falls City where they caught the train for Black Rock. The ladies' husbands remained at home and could easily be distinguished from the other men. They had been coaxed up so early they looked just a little sleepy.

**LARGE MAY DAY PARTY**

One of the most delightful social events of the past week was the large May day card party, given at the home of Mrs. Will Patton on Third street last Friday afternoon, when Mesdames Patton, P. L. Hedges, E. L. Townsend and George Gerard

## REPUBLICAN VOTERS SHOULD BEWARE

Party Should Be Represented on National Committee By a Republican

The Republicans of Oregon are entitled to have a Republican named as the National Republican Committeeman from this State. C. W. Ackerson, who claims to be a Republican, is a candidate. He registered as a Progressive January 9, 1914. Then signed petition of H. W. Cox to be Progressive National Committeeman. Then cancelled his registration as a Progressive and immediately filed his candidacy for membership on Republican National Committee. Has been an intimate and convenient understudy of the Progressive National Committeeman and seems now to be in combination with him in an attempt to shanghai the Republican organization. His candidacy is being actively backed by parties hostile to the Republican party and having personal interests and private personal grudges to serve. His erratic and excitable temperament has frequently led him to flood the columns of the press with violent attacks upon the Republican party and vicious personal abuse of prominent Republicans and life-long residents of the State.

It is a grave abuse for parties who are not Republican to register as such. It is a grave abuse for outsiders to attempt the capture of a political party to gratify a personal grudge and to promote party discord. It is an abuse against which fair-minded men of all parties will rise in protest. We can never have a reunited party by pushing to the front political headbangers and men who are political reformers simply for the sake of office. Having been a Republican only twenty-four hours when he announced his candidacy for the highest honorary position in the gift of the party, is some indication of what Mr. Ackerson's motive was in registering as a Republican. As Hon. Ralph E. Williams is the only Republican who is a candidate for Republican National Committeeman, we feel warranted in urging all loyal Republicans in the state to give him their earnest and enthusiastic support.

## JONES FOR CONGRESS

To the Electors of the Congressional District:

I am a candidate for Congress on the Republican ticket at the primary election to be held May 15th. Briefly, first I stand for the improvement of our rivers and harbors. For the enacting of new or the amending of the present homestead laws to cut out the cultivation clause, and make it possible for the wilds of Oregon to be settled. For the surveying and classifying of the 16,000,000 acres of land in our Forest Reserves, that the agricultural and grazing land may be opened to settlement. For free tolls on American bottoms. For government aid for good roads. For just and liberal compensation for all labor, and for national suffrage for women.

If the Government shall finally win the suit now pending against the Oregon & California Railroad Company, I will do all in my power to keep these lands from being placed in the forest reserves, and will work to the end that the grazing and agricultural lands therein be opened to settlement under the homestead laws.
