After success at Coquille in obtaining the sanction of the city council for closing saloons, the anti-saloon faction has planned to start a quick petition carripaign at Marshfield and hopes to have the city closed before July 4. Women are making a house to house cunvass for algustures to petitions, which they will later present to the council. No effort has been made as yet to circumvest the movement, the wet element relying on the state law.

Judges Henry L. Benson and Chas. L. McNary appeared before the state canvassing board and requested the board to ask for a recheck of the fally sheets in all the countries of the state, so far as their votes for fourth place on the republican ticket for supreme judge are concerned. Thus a contest was avoided and the exciting race between these two candidates is not yet at an and. As the figures now stand McNary is credited with a lead of 12 votes. The vote for all the other candidates was officially canvassed by the secretary of state in the presence of the governer and statz trensurer.

promised not to prosecute.

ORDER RESTORED IN ITALY BY SOLDIERS

Rome.-With the occupation of th disaffected provinces by the military forces, order is rapidly being restored and it is expected that within a da or two the district of Romagna, con prising the provinces of Bologne, Fer rara, Ravenna and Forli will have resumed normal conditions.

The strike has come to an end and the strike of the railway men, which included only a small number of the employes, has been called off, with father. the result that the workman are returning to their tasks. Railroad, tele graph and telephone lines are hurried being repaired

An outstanding feature in the gener al strike situation was the proclams tion of an Italian republic by the peo ple of several towns bordwing on the Adriatic, in northeastern Italy.

In some towns like Fabriano and Rimini scenes similar to those of the French revolution were enacted. The inhabitants, misled by reports issued from the headquarters of the anarchis tic committee at Ageona, an importansenport on the Adriatic, to the effect that a revolutionary movement had been successful in everthrowing the monarchy, proclaimed a republic and substituted for the national flak the black banner of the Peasants' League.
