

## Why You Should Vote For BOOTH

Republican Candidate For United States Senator.

Are you better off now than you were under a Republican administration?

Are you satisfied? If you believe in the principles of the Republican party, if you are convinced that these principles are the best for the country, then prove it by voting for your standard bearer, Robert A. Booth, Republican candidate for the United States Senate.

You know that under Republican presidents the people of the United States have good times.

You know that under Democratic presidents you have Democratic times.

Remember the prosperity under McKinley, Roosevelt and Taft.

Remember the conditions under Cleveland and Wilson.

The issue in this campaign is not one of personality. It is not one of non-partisanship. It is a question of whether you prefer prosperity under a Republican administration.

If you are satisfied with present conditions, well and good; if you believe that the present situation is better than under McKinley, Roosevelt and Taft, you know what to do.

The way to bring prosperity is to help elect a Republican Senate. The Republican candidate in Oregon is R. A. Booth.

This is a Republican year. Vote the ticket straight.

## THE PILL BOX WHO'S WHO AMONG THE CANDIDATES

Joe Cannon's little boy, Willis Hawley, is a candidate for congress. The republican's went to sleep and he was nominated on their ticket, but most of them are hopeful that the party will not have such bad luck again.

Willis' influence in Oregon is told in the next two inches:

Willis' value to Oregon is told in the next two inches:

Nobody in Independence is going to vote for Willis except Mike Goetz but Mike is forgiven because it is rumored that he placed a big bet that Hawley would carry the town.

Fred Hollister will likely be our congressman after next March. He will not rip, tear or unravel, measures sixteen ounces to the pound and will be a glory on the job. If Hollister doesn't win, we hope Curt Coe does.

**S. B. TAYLOR**

Democratic Candidate for  
**County Surveyor**

I ask your support as one fully qualified for this office, by over fourteen years experience in surveying and engineering work. Eight years active practice of my profession in Polk County, during which time I have had charge of the surveying on the railroad from Dallas to Salem, the Salem railroad bridge, the Willamette Valley Lumber Co. Railroad, the Portland Cement Co. Railroad, as well as doing a large amount of work for individuals. I am at present City Engineer of Dallas and I believe that I can serve Polk County efficiently in the capacity of County Surveyor.
