

THE GOOD JUDGE FINDS THE LONELY WOODSMAN

AFTER all your years of chewing—here is the *Real Tobacco Chew*, "Right-Cut"!

It's a new blend—richer, more sappy and twice as satisfying as the old kind. Seasoned and sweetened just enough to give you all the pure tobacco taste.

Cut a new way—so a small chew gives you comfort without grinding. And it lasts longer.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

It is a ready chew, cut fine and short shreds so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

One small chew takes the place of two big chews of the old kind.

The evidence in the Barnes-Roosevelt libel suit now going on emphasizes and tends to prove the truth of the charges made by his critics that he would enter into alliance with any element, good, bad or indifferent, if he believed it would enhance his personal ambitions.

It is rumored that Oswald West will be the next governor of Oregon.—Oregon Voter.

BILLY SUNDAYS

This doctrine of salvation by charity crawled out of the pit of hell.

Today it takes 3,000 sermons to convert one buttermilk, red eyed, whisky soaked son of the street.

It won't save your soul if your wife is a Christian. You have got to be something more than a brother-in-law to the church.

Some persons think they have to look like a hedgehog to be pious.

If I was a devil I would rather live in a good decent hog than in lots of men.

Too many deacons never do anything but "deak."

A REPUBLICAN SLATE

Some people are accusing Edgar B. Piper of nursing an ambition to be United States Senator.

They say the deal was made up about a year ago, and included sending "Pat" McArthur to Congress, already accomplished; making I. N. Day the next State Treasurer, Lair Thompson the successor of Governor Withycombe, Ben Selling the successor of Senator Chamberlain and Mr. Piper the successor of Senator Harry Lane. An aspect of plausibility is present in the circumstance that Mr. Piper and Mr. Selling have no special affection for each other and some are enough to say that putting the wily clothier up against George the handshaker would be giving him the worst of the deal.—Oregon Voter.

LOOK AT PEACEFUL COPPERFIELD

Why are they at war in Europe? Because they had no Governor West to make them speeches; no Fern Hobbs to read the riot act, and no Lieutenant Lawson to quell the disorder. Thus, indeed, is America great. Look at peaceful Copperfield and lawless Europe.—Oregon Scout.
