

# SPECIAL BUGGY SALE

We have decided to reduce our prices on Buggies, Hacks and Carriages in order to turn this stock into a more profitable line for the reason that automobiles are taking the place of such vehicles and makes it unprofitable for us to carry such a large line.

Anyone wanting a buggy will profit by buying of us. Come in and get special prices on what you want.

#### NO CAUSE FOR WAR

The Monitor believes that it expresses the opinion of its readers when it says that the sinking of the Lusitania by the Germans, however cruel and inhuman it may seem, is not a justifiable cause for war. We must remember that the Lusitania was a British vessel flying the British flag and its unfortunate passengers had been warned of the danger.

There is no doubt but what the preponderance of America sentiment is favorable to the Allies. The sinking of the Lusitania will increase that sentiment and make it more outspoken in the future.

#### BILLY SUNDAYS

If the newspapers were all suppressed I believe that crime and sin would increase 100 percent overnight and all hell would hold a jubilee.

I believe in the Bible from cover to cover. I don't pretend to understand it all. I would consider myself low down and damned if I with my infinitesimal mind and my jack rabbit and pigheaded intellect should undertake to tell God that I disapproved of His plan of salvation.

I believe if the women of America were like the men, God would dump the whole thing into hell and quit.

#### A CRUEL BLOW FOR THE BIG "I"

The Chicago woman who refused to make public Colonel Roosevelt's anti-peace propaganda letter cut the colonel most unkindly. He never said a thing or wrote a thing or thought or did a thing that was not for publication.—Louisville Courier-Journal.
