

"Out of Work, but"—

Charley Chaplin's Comic Capers

Luck Is Against Him

Copyright, 1915, by Keeley-Handy Syndicate.

WE HAVEN'T GOT ROOM FOR YOU JUST NOW, BUT IF YOU COME AROUND NEXT WEEK THERE MAY BE AN EMPTY CELL.

THE BIG GAME HUNTER PROVES THAT HE KNOWS THE REAL TOBACCO CHEW.

ALL around you, men are talking about it. You, yourself, are probably telling your friends about the *Real Tobacco Chew*.

No user wants to see his friends go without it because it gives a man real tobacco satisfaction and comfort.

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

THE REAL TOBACCO CHEW IS NOW CUT TWO WAYS! W-B CUT IS LONG SHRED, RIGHT-CUT IS SHORT SHRED!

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end. The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big chews of the old kind.

(Notice how the salt brings out the rich tobacco taste.)

Until Loganberry juice is rightfully named Bryanade, it will never become the leading drink of the nation.

The first thing to do in getting "prepared" is to dig a trench along the Canadian border from Maine to Washington.

The fellows, who are shaking with fear lest some nation attack us because we have no large standing army, can remedy our alleged weakness somewhat by enlisting and becoming soldiers. The government at present is making very attractive offers as inducements to join the regular army.

The Coos Bay candidate for congress has withdraw. It seems possible that some good progressive will make the race. Either Senator Walter Dimick or Allen Eaton could win by a strenuous effort. Western Oregon is a progressive section, full of progressive people, and should be represented in congress by a progressive "live wire."

The Monitor notes that the recollers charge that the county court is "extravagant." Surely this cannot be. When it comes to paying what is justly due the Monitor, we certainly could not accuse them of being extravagant. They cut and slash and hew and carve, then send us the remains. The County of Polk ought to pay us just as much as others pay us for the same services, gentlemen, and no more—you do neither.
