Bible Stops a Bullet.
Follansbee, W. Va.—Two Rev. Arthur
C. Palmer, Free Methodist minister
here, owes his life to his Bible. This
developed when he turned over to the
police several threatening communi-

he does not cease his efforts to reform
the city. The Rev. Mr. Palmer was
shot from ambush as a result of these
threats, the bullet lodging in his Bible,
which he carried under his arm.
