

LUCKY STRIKE CIGARETTE

YOU'LL enjoy this real Burley cigarette. It's full of flavor—just as good as a pipe.

IT'S TOASTED

The Burley tobacco is toasted; makes the taste delicious. You know how toasting improves the flavor of bread. And it's the same with tobacco exactly.

SOUTHERN PACIFIC ISSUES NEW FOLDER MAP OF STATE

A new folder map of Oregon has just been issued by the Southern Pacific Lines. This map will be of service to local people in gaining a better knowledge of our state, and will also direct the attention of residents of other states to the resources of Oregon.

The map is carefully drawn, showing all the lakes, streams and principal mountain peaks, as well as the railroads and highways. All the cities and towns are plainly indicated, and an alphabetical index enables one to readily determine the location of any town in the state.

On the back of the map is a brief but very complete exposition of Oregon's resources. The geographical divisions, with physical features, climate, productions and scenic attractions, are set forth in detail. The prospective settler or the tourist will here find much valuable information.

All of the work on this map was done in Portland.

Copies can be obtained from any Southern Pacific representative.

THIRSTY AT ALBANY ARE OUT POT OF GOOD MONEY

A number of thirsty ones at Albany "chipped" in between \$200 and \$300 and sent a representative to Hornbrook, Cal., for the purpose of bringing back some of the elixer found at that popular resort. He departed hence several weeks ago and up to this time has not come back. He has even neglected to send them a postal card showing the scenery. Now certain fellows in Albany think this fellow meanest guy on the Pacific coast, though it is reckoned that he is no longer on the Pacific coast.

Mr. and Mrs. Roberts and family were Sunday guests at the home of the latter's parents, Mr. and Mrs. McComas, at Wigrich.

A. Plant and daughter of Salem visited at Wigrich the last week with his sister and brother, Mrs. Rose and Mr. Walter Plant, and his mother and sister at Buena Vista. He has enlisted and was his farewell visit.

Mrs. Rose of Wigrich is spending a few days in Salem with relatives.

C. W. Niemeyer of Salem, late of the 1st Canadian contingent, entertained a large audience in the Methodist Episcopal church at Buena Vista on Sunday evening, February 3rd, when he related several of his experiences at the front. A collection was taken in aid of the Buena Vista Red Cross auxiliary and over \$28 contributed—a splendid tribute to the patriotism of the district. Mr. Niemeyer was the guest of Major and Mrs. Rose on the Wigrich Rancho from where some 30 members of the staff drove to the meeting. Relics of the war brought from the front by Mr. Niemeyer, which had been previously on display in the Misses Plant and Rose store, were also exhibited and explained by him.

SONNY BOASTS

If Pa could jump like a little flea
He'd give three jumps and where
would he be?

Most 'way down by that big gate!
Then he'd give three jumps and
jump back straight
Right here to me—'cause I'd be call-
ing him, you see.

If Pa could fly like a bumble bee
He'd fly right up in that tall tree,
Where he'd stay awhile then fly
around.

He wouldn't stay in that tall tree
'Cause I'd be calling him you see.

Ain't it funny a great big man
Can't do what a bee or a bumble
bee can?

—Claudius Thayer.

EVIDENT THAT THE ROBBERS WERE MARRIED WOMEN

Two women recently robbed a Kansas store, and not getting any money from the woman proprietor grabbed six pair of trousers and fled. This is strong evidence the robbers were married women, and if they had been followed they would have been seen going through the pockets of the whole six pairs. —Salem Capital Journal.

THREE CHURCHES USE ONE PREACHER HARMONIOUSLY

Three Protestant churches at Forest Grove have decided to march together as Christian soldiers under one leader. Or perhaps it would be nearer accurate to say that they will flock together under one shepherd.—Oregonian.
