In order to stimulate individual subscriptions to the Third Liberty Loan, create community activity and to mobilize, systemize and unify the initiative and energy of citizens and districts in the accomplishment of a national purpose, an honor flag and honor roll system has been adopted by the Treasury Department for the Third Liberty Loan.

This system is outlined by the Department as follows:

1. A specially designed honor flag, officially adopted as the Third Liberty Loan flag, will be awarded to all communities upon their attainment of their assigned quota.
2. A small individual poster, containing a reproduction of the honor flag and a blank for the name of the subscriber, will be awarded to each subscriber or display in his home.
3. A large honor roll, containing at the top a reproduction of the honor flag and the slogan, "Help Our Town Win the Right to Fly This Flag," and below space for the names of all subscribers, will be posted in a conspicuous place in the community.
4. A large honor flag will be awarded to each state upon the attainment of its quota, the state flag to contain the names of those subordinate groups which have attained their quotas.
5. A national honor flag will be unfurled at Washington on which will be presented the returns from all the states.

MORE MEN ARE CALLED

923 More Men Called in the State
Polk County Gives 18 Men in This Call.

Nine hundred and twenty-three more Oregon men are to be called to the colors immediately for the National Army.

They will be inducted into the military service from Class One, in the sequence of their order numbers. Order numbers. Orders have been received from the War Department by the Adjutant General of Oregon that all these men must be entrained for Camp Lewis, Wash., in the five day period beginning April 26.

This quota of 923 men is in addition to the draft quota of 369 men who were called into service from Oregon on March 29.

The 923 men comprise 12.5 per cent of Oregon's gross quota in the first draft.

No county in the state will be exempted from furnishing its proportionate quota of men to meet this call.

At the same time it is announced by the War Department that each county will receive full credit on the next net draft quota for the men sent now.

Though men from Class One are to be inducted into service in sequence of their order numbers, the calling of men actively, completely and assiduously engaged in the planting and cultivation

of farm crops, by direction of the president, will be deferred until the end of the new quota.

HOME GUARDS AT DALLAS

Company Formed to Protect the District

125 Men Expected to Join in the Guards of Dallas

There were seventy-five men to sign up at Dallas for the Home Guard company to be organized there. They expect to have 125 men in the company when it is finally organized and in operation.

They expect to secure guns and other equipment and be prepared to do anything necessary to protect the county from all sources of action against the country.

By laws and a constitution have been outlined. The Dallas band will probably go in as a body and two drills monthly will be held at least.

REPORT PRO-GERMANS

If there is a slacker or Pro-German in your community or any person making seditious remarks, it is your duty as a citizen to report the name of the party, together with the names of the witnesses, to the office of the district attorney, at Dallas that all such offenses, may be inquired into by the grand

jury, Monday, April 15, at which time all unpatriotic statements and treasonable acts will be dealt with by that body.

Council of Defense.

Splendid Program at Isis Theatre Sunday Evening

The Sunday evening meeting at the Isis theatre in the interest of the Liberty Bond campaign, was well attended, and a splendid program consisting of musical numbers and speaking.

Addresses were given by Attorney D. E. Fletcher, of this city, and Rev. D. A. McKenzie, of Dallas, both making interesting appeals to the people of this community to put forth their best effort to assist the boys 'over there' and bring the war to speedy and successful end. Paul Blackstone, C. W. Barrick, Dr. Barrick and J. G. McIntosh, supplied the musical numbers with a quartette.

The DeMoss musical entertainment which was to have been given Friday evening in the High School assembly has been cancelled.

Buy Gordon Hats at Kreamer's, \$3.50 to \$4.00.

Extra session of the High School was held Wednesday and Thursday of last week as the result of the April Fool "funk" picnic enjoyed by the student body last Monday afternoon.

Beautiful ties for 50c at O. A. Kreamer's.

The Ladies Aid of the Baptist church of this city is piecing a beautiful silk quilt which they will sell at the Red Cross entertainment to be given at Hopville April 19.

Mrs. K. C. Eldridge left today for San Francisco to be with her son, Shaler, who is ill.

Work shirts, 75c to \$1.00 at O. A. Kreamer's.

Mr. and Mrs. C. E. Holloway of San Francisco were visiting at the J. S. Cooper home this week. Mrs. Holloway is a sister of Mrs. J. S. Cooper, Jr.

Dean Baughman writes from Fort Myers, Virginia, that he expects to go overseas in a couple of weeks.

Mrs. J. S. Cooper is visiting in Centralia and Tacoma, Wash.

J. S. Talbot was down from Pendleton to attend the Republican convention at Portland.

The Falls City Express states: "The Boys' and Girls' Industrial clubs have been organized, the officers of the various branches being: Pig Club—Pres. Harold Beard; Sec. Eldon Frink.

Sewing Club—Pres. Mildred Grant; Vice Pres. Dorothy Guthridge; Sec. Louise Brown.

Poultry Club—Pres. Clair Brown; Vice Pres. Dorothy Guthridge; Sec. Abbie Bruce Guthridge.

It is a good plan for the boys and girls of every community in Oregon to enter this club movement. Have you a club in your community, if not, why not?

When your faithful dog pokes his nose into your hand even your affection cannot prevent a little shiver, because the nose is so cold. Why is it? When the body of a dog is so warm, why should this one spot be different from all the rest of him? The coldness of a dog's nose is due to the fact that it must be kept moist all the time in order to sharpen his sense of smell. And, of course, as the moisture is evaporating all the time, it keeps his nose cold. A dog depends a great deal on his powers of smell, especially in the wild state. In addition to the olfactory or smelling nerves inside a dog's nostrils the whole back membrane around the nose is very sensitive, but this sensitiveness can only be retained by moisture. Thus it is that when a dog's nose is dry and warm he is ill and needs doctoring.

GENERAL FOCH

General Foch, who has been appointed commander in chief of the allied armies in France.

A good pair of reading glasses for \$1.00 at O. A. Kreamer's.

Department of Domestic Science

By Miss Harriett Rigdon of Independence High School

Home Economics which is the new term including all Household Arts and Domestic Science has become an important factor in the lives of the American people. Why? Because of the formation of the Bureau of the United States Food Administration, which has for its problem "Food Conservation."

The war for Democracy will be determined by three factors, money, men and food. Therefore we may all have a share in solving one third of the war problems by using superhuman strength in the raising and saving of foods.

In the conservation of foods bread is one of the main items, for the making of which there are many substitutes such as oatmeal, corn meal, rice flour, barley flour, rice and potatoes, etc.

The following receipts are all for yeast breads in proportions for one loaf and amount of yeast to make bread in about five hours. If bread is to be made into a dough at night half the amount of yeast may be used or liquid yeast made with a starter of dry yeast, keeping the amount of liquid used the same.

- Oat Meal Bread, 1 Loaf**
One cup milk and water, or water; 1 teaspoon salt; 1 tablespoon fat; 2 tablespoons sugar; 1 cup rolled oats; 2 1/2 cups wheat flour (or less) 1-2 cake compressed yeast; 1-4 cup warm water.
- Scald the liquid and pour it over the rolled oats, sugar, salt and fat. Let stand until luke warm, about half an hour; add yeast softened in 1-4 cup warm water. Add flour and knead. Let rise until double its bulk. Knead**
- Barley Bread or Corn Flour**
1 cup milk or water, 1 tablespoon sugar, 1 1/6 cups barley or corn flour, 2 1/3 cups wheat flour, 1 tablespoon fat, 1 teaspoon salt, 1 1/2 cake compressed yeast.
- Soften the yeast in part of the liquid, combine ingredients as for white bread, mix into dough. Knead and let rise to double the original bulk. Knead again and put in the pan and when again double in bulk bake about 45 minutes.**

Where Do You Stand?
You are either for the war or against it. If you are against it, you ought to be in Germany.

BUSINESS ITEM NOTES

FOR RENT: Grain and bean land. Verd Hill.

Real Estate: Particulars about the 640 acre homestead law at this office.
