Independence, Oregon, Saturday, May 25, 1918

We did not all get the men we wanted nominated at the recent primaries in every case, but where there are so many good men on the Republican ticket you could not expect it. We have a good ticket and we feel that the Republicans will make a clean sweep this year.

Independence is just as good a town as any in the valley and after the war is over she will be better than most of them. All we need here is a little co-operative endeavor to develop the resources around us. There is too much good land wasted. We should organize to cultivate every foot of land available for cultivation and a plan to get the required labor to conserve our crops should be outlined now.

Red Cross Drive Nearly Finished

A report in the Salem Journal under date of Thursday, states: The second Red Cross drive in Polk county will probably come to an end today and probably before the noon hour as the amount yet to be subscribed is but \$2,000. The first day of the drive netted the workers something like \$6,500 and Tuesday they were equally successful, reaching a total of \$10,000 last night. The amount may be subscribed at the present time as there are a few outlying districts that have not yet made a report to the county chairman. The high dial on the court house lawn informs the people of the community the progress being made in the drive.

To the Republican Voters of Polk County

For the splendid support so loyally given me at the primary election I am profoundly grateful. I do not count this vote a personal victory for myself but look upon it in the light of an endorsement of my administration. Permit me to say to the voters of all parties that, if elected in November, it shall be my constant endeavor to continue a careful and strictly business administration of the county's affairs; to keep out of debt; to reduce taxes to the lowest notch consistent with actual needs; to treat every citizen and every locality fairly and impartially, to the end that Polk county as a whole, may continue to grow in population and prosperity.

Respectfully Yours,
E. C. Kirkpatrick.

TO THE VOTERS OF POLK COUNTY

I cannot refrain from expressing appreciation of the very fine support which I received from the Republican party at the primary. I trust that I may prove myself worthy of the confidence which your endorsement shows.

I also wish to publicly express my appreciation for the fair and friendly spirit manifested throughout the campaign by my honorable opponents, Mr. Conner and Mr. Uglow.

Winning the nomination is doubly gratifying because of the support which both of them have proffered me for the general election.

I sincerely trust that I may so conduct my work in the future that I may prove myself worthy election in November.

If elected, I assure the people of Polk county that I shall serve them without reference to party, but that the faithful performance of all the duties of the office will be my constant aim.

I am, Respectfully,
Floyd D. Moore.

Quit the Tobacco Habit

Quit-tobacco Treatment will do the work promptly and permanently. No matter in what form you use tobacco—smoking cigars, pipes, cigarettes, chewing tobacco or snuff, no matter how much you use, or how long used, Quit-Tobac will break you of the habit in from three to five days. Pleasant to take, no inconvenience, no remaining away from work or business.

A simple home treatment. No craving or desire for tobacco in any form after you begin taking Quit-Tobac. Don't try to quit the tobacco habit unaided. It's a losing fight against heavy odds, and means a serious shock to the nervous system. Let the tobacco habit quit YOU. It will quickly quit you, if you will take Quit-Tobac according to the simple directions we send you. It is a thoroughly reliable and permanent remedy for the tobacco habit, but is not a substitute for tobacco.

Thousands have been freed from the habit. Why not you? Write at once for particulars and testimonials.

Boy Shot in the Leg

Otto Miller, 14-year-old son of W. G. Miller, was accidentally shot in the right thigh last Friday, while playing with some boys up the creek. A .38-calibre rifle bullet entered the fleshy part of the leg, making a painful but not a dangerous wound. The gun was accidentally discharged by a lad named Bedwell. The injured boy was brought to the hospital in this city, where Dr. Bollman treated the wound.—Dallas Itemizer.
