

A Vigorous Battle.

From the *New Era*, Greensburg, Ind.

The following is a straightforward statement of facts by a veteran of the late war. No comrade will need further proof than their friend's own words, as here given.

Squire John Cantor, of Newport, Ind., is the narrator, and an honest, respected citizen he is, too. He said: "I have been troubled with rheumatism in all my joints, ever since I went to the war. It was brought on by my exposure there. It came on me gradually, and kept getting worse until I was unable to do any work. I tried several physicians, but they did me no good. They said my trouble was rheumatism resulting in disease of the heart, and that there was no cure for it. Nevertheless I had lived and fought the disease for thirty years, and did not intend to die, simply because they said I must, so I hunted up some rem-

lies for myself, and finally happened on Dr. Williams' Pink Pills for Pale People. I asked some of my neighbors about the medicine, for it had been used by several persons in the community, and they recommended it very highly. I procured a box. The pills helped me right away, and I continued taking them. I commenced taking them last fall, and finished taking the sixth box a few months ago. I am not bothered with the rheumatism now—the medicine has cured me. I can most certainly recommend Dr. Williams' Pink Pills for Pale People."

These pills are not only good for rheumatism, but are valuable for any disease that arises from impoverished, or bad blood. They do not act on the bowels.

Some of the suits for damages growing out of the loss of the steamship *La Bourgogne*, of the Campaigne Generale Transatlantique, are based on the allegation that the captain of the ship, Dioncio, was insane, that he had prophesied that he would go to the bottom with his ship, and took no measure, either to avoid the disaster or to save the lives of his passengers.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J.
