EVENTS OF THE DAY

LATEST NEWS

Sotu, May 22.—The case of the
Korean prisoners, including Colonel
Mori, was discussed in the Cabinet
last week, and a decision was reached
that the prisoners should be
released. The Cabinet also
considered the possibility of
negotiations with Japan for a
peace treaty, but no action was taken.

THE FALL OF QUINOA

Filipinos Were Driven From A Spanish Town.

MADRAS, May 22.—A Spanish
army, under the command of
General Crisanto, has captured
the town of Quinoa. The
Filipinos, who had been in
possession of the town for
some months, were driven out
by the Spanish forces.

Timber Cutters Who Left Seattle Were Poisoned.

IN THE INTEREST OF SCIENCE

Dr. B. E. Dole, of the
University of California,
was killed yesterday, when
a railroad train struck the
side of a hill, in which he
was standing on a
surveying trip.

At the Home of J. D. Reed,
San Francisco, the
body of Dr. B. E. Dole,
was found yesterday,
when a railroad train
struck the side of a
hill on which he
was standing
in a surveying trip.
