

COUNTY NEWS

The new \$30 1000 mile scrip books are now on sale by the S. P. Co. These have been in demand and the demand has been supplied.

Ward M. Leever, the 16-year old son of W. C. Leever, the Central Point hardware merchant, was accidentally electrocuted while turning off the switch at the sub station of the Condor Water & Power Co., at Central Point, Sunday morning. 2000 volts passed through his body.

The Medford city council has fixed the tax levy for municipal purposes for 1908 at a total of 14 mills as follows: For city purposes, 4 mills; for park purposes, 1/2 mill; for general sewer fund purposes, 2 mills; for street light purposes, 1/2 mill; for debt fund, 4 mills; for street and road purposes, 3 mills.

After distributing the paupers of Josephine county for a number of years here and there to various persons at miscellaneous prices, averaging annually \$4276.54 for the last six years, the County Commissioners now have ready to be occupied on a 28-acre tract two miles north of Grants Pass a well-constructed building two stories high with brick foundation for a poorhouse.

W. G. Y. Jones, who in connection with C. W. Evans of the Ashland Mining Office, has taken over the Elk creek gold properties situated in the northeast part of Jackson county, is arranging to install a large crushing and cyanide plant on the property at once. An order has been placed for a Kent crushing mill of 100 tons daily capacity, and a cyanide plant of the new Rankin process wherein compressed air is used with the cyanide liquid to recover the gold in air-tight revolving tanks, which shortens the process to a few hours instead of several days' time that is necessary for the old cyanide process.—Tidings.
