Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. GRAVEL CAR OFF THE TRACK

A flat car on the R. R. V. R. R. loaded with gravel run off the track in the gravel pit yesterday morning. No one was hurt and no particular damage was done. Should an accident occur to the engine while the company was pulling a gravel car on the rear of a passenger train there would be little chance for the passengers to escape.

Stomach Troubles

Many remarkable cures of stomach troubles have been effected by Chamberlain's Stomach and Liver Tablets. One man who had spent over two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price, 25 cents. Samples free at Robinson's City Drug Store.

The Mankins property was sold Monday to D. M. Ferry, the seed man, for \$25,000. The D. M. Ferry Co. will clear the property for the purpose of making a seed farm out of it. It is estimated that at least 50 men will be required to operate the farm, and it is quite probable that the company will build a large distributing and packing warehouse here.

No Need of Suffering from Rheumatism
It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief it affords.

Do not be discouraged until you have given it a trial. For sale by City Drug Store.

For a Sprained Ankle.

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time.

This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by City Drug Store.

Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy.

We are now engaged in the Mercantile business at Narcoossee, Fla; and have introduced the remedy here. It has proven very successful and is constantly growing in favor.--Ennis Bros. This remedy is for sale by City Drug Store.
