

OREGON TO HAVE GOOD ROADS

(Special Correspondence.)

"Good Roads" seems to have become in recent months the subject of almost every conversation when a group of citizens get together. During the last two weeks there has been more discussion of good roads among members of the Portland Commercial Club than there has about the great political campaign that is before us. When dairy-men get together they discuss good roads; it is the same with fruit growers, while automobile owners have become veritable cranks on the subject.

An insistent demand, coming from every section of the state, has been made upon the Portland Commercial Club to call some character of representative meeting to discuss a practical plan whereby all Oregon may have better highways. President W. K. Newell, of the State Board of Horticulture, has written to the Club asking that action be taken without delay. A similar request also comes from Hon. J. W. Bailey State Dairy and Food Commissioner, on behalf of the dairy interests, and the bankers of Portland and other cities and towns of the state are of one mind on the subject. Many of the cities throughout Oregon are building high class hard surface pavements, and everywhere you go you find men talking "Good Roads."

As a result of all this it has been determined to hold an "Oregon Good Roads Conference" in the Convention Hall (6th floor) of the Portland Commercial Club, Tuesday, August 11th, with morning, afternoon and evening sessions. No interest in the state seems to be more anxious to have a part in developing the good roads sentiment into a realization than the railroads, and as a result a rate of a fare and a third has been made for this meeting; tickets will be good the day before and the day after the meeting, so that it may be extended over the second day if necessary.

An interesting program will be prepared, but there will be no long-winded theoretical speeches—practical men will be secured and practical questions discussed. The Good Roads Associations of Oregon and Washington will be asked to co-operate in making the meeting a success. The basis of representation will be announced within a few days, but all commercial and industrial bodies, county judges county commissioners, editors, and mayors will be authorized to appoint delegates and urged to have a representation present.

Hon. James R. Garfield, Secretary of the Interior, and Hon. F. H. Newell Chief of the United States Reclamation Service, spent Thursday in Portland.

Hon. John Sharpe Williams, recently elected United States Senator from Mississippi, and prominent nationally as the leader of the Democracy, while here to fill an engagement with the Chautauqua Association, was tendered a reception at the Portland Commercial Club Friday night.

Twenty-Five Cents is the Price of Peace.

The terrible itching and smarting, incident to certain skin diseases, is almost instantly allayed by applying Chamberlain's Salve. Price, 25 cents. For sale by City Drug Store.

Colonist rates will again be put in force by some of the transcontinental railroads this fall to help swell the tide of western immigration. The Harriman lines have taken the initiative, and given notice to the interstate commerce commission that they will put in low rates during the months of September and October from all eastern territory to Oregon and the Pacific northwest. The rates will be the same as last spring, namely, \$30 from Kansas City, Omaha, St. Paul, Minneapolis and Missouri river territory; \$36.50 from St. Louis; \$38 from Chicago and adjacent territory. All commercial bodies are expected to redouble their efforts during July and August to advertise Oregon in the eastern states.

A party composed of Billy Deneff, Adolph Schulz, John Dunnington and Jim Tucker left Sunday morning, for Applegate on a fishing and hunting trip.

The socialists of this city are somewhat indignant over the item in the last issue of the Post which said that the socialists nominated a convict for president. I wish to say that this was an item in the telegraph service and was published all over the United States. The matter rests with the Associate Press and not with any local paper. We are fully aware that Eugene V. Debs is the socialist candidate.

A. T. Lungren is making some substantial improvements on his addition to this city. He will start in a few days to bore for artesian water. Lumber has been ordered for sidewalks and a few houses. This addition will grow rapidly this summer on account of the low price and the excellent view. He is digging a well now to supply about 40 families.

GRANTS PASS DON'T PAVE

As a result of the recent election voting Josephine county dry Grants Pass is unable to pave the streets. The Courier has this to say: "Again it is lamentable because the streets outlined in the improvement ordinance needed paving, and twice the amount of money spent in any other city improvement could not have resulted in a more lasting improvement for the city of Grants Pass, no investment could have more thoroughly impressed the stranger or casual visitor, nor have been a greater inducement to the prospective investor to locate in this city." From this it would appear that the people of Grants Pass want pavement, but the council did not feel that the city could afford to issue bond for the purpose.

Grants Pass formerly received about \$6,000 annually in liquor licenses, this sum would probably defray the city's running expenses, and a bond issue for public improvements would have been a matter of minor consideration. However, if there is any chance to reasonably meet the bond issue the council should pave. It would help Jacksonville to a certain extent, as well as other Southern Oregon towns.

NOTICE

Members of the Jacksonville Commercial Club are hereby requested to call at the Bank of Jacksonville and pay their monthly assessments as the club is now finishing the pamphlets and will need the money. Otherwise the secretary will be obliged to go around and make the collections which would necessitate an additional expense. This money is needed to develop the town and should not be wasted in making collections. Don't overlook this matter because everything is in readiness to go ahead.

Help for Those Who Have Stomach Trouble.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all the medicine I bought before.—SAMUEL BOYER, Folsom, Iowa. This medicine is for sale by City Drug Store. Sample free.

A few doses of this remedy will invariably cure an ordinary attack of diarrhoea. It can always be depended upon, even in the more severe attacks of cramp colic and cholera morbus. It is equally successful for summer diarrhoea and cholera infantum in children, and is the means of saving the lives of many children each year. When reduced with water and sweetened it is pleasant to take. Every man of a family should keep this remedy in his home. Buy it now. PRICE, 25c. LARGE SIZE, 50c.

LOCAL NOTES

Henry Dox went to Ashland Monday to attend Chautauqua.

Henry Schultz brought in a load of new potatoes Wednesday for the Boss.

The Boss has Jacksonville peaches, and they are fine.

Miss Josephine Donegan left Sunday for Coleson on a short vacation.

Mr. and Mrs. Marvel Taylor were Ashland visitors Sunday.

Mrs. J. W. Robinson and daughter spent Monday in Ashland attending Chautauqua.

Don't overlook the matter of saying a good word for Jacksonville to your friends.

C. L. Reams and wife, and Miss Nellie Reams are enjoying a few days outing at Coleson this week.

Miss Gladys Shaw went to Salem Thursday, for a few weeks visit to relatives and friends.

Mrs. Anna Martin, formerly of the Post staff, returned from Portland Saturday, where she has been visiting friends for the past three months.

John Devlin, a former resident of this city but now in the real estate business in Portland, is visiting with his father on Applegate.

Mr. and Mrs. Lewis Ulrich, Miss Leona Ulrich and Mr. John Wilkinson, spent Sunday on Applegate picnicing.

Geo. L. Davis went over to Medford Saturday to meet his daughter Hazel, who has been attending school at Portland the past winter.

G. H. Haden, has purchased the jewelry business of J. H. Hickel and will conduct a jewelry and repair business. Mr. Haden is a graduate optician and will shortly be equipped to scientifically test eyes and fit glasses.

The rain last Sunday and Monday was a very welcome visitor. It was not heavy enough to do any damage to hay but supplied enough moisture to assist the third crop of alfalfa. The fruit came in for its supply of assistance.

Considerable grass burning is going on but the railroad company is not cleaning up their track along their right-away. This should be attended to because people coming into the city over that street would form a bad impression of the city. The street is impassable and should be improved.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100.00.

"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Island, La. "For several weeks I was unable to do any thing. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by City Drug Store.

Don't forget that you should get the tokay grape printed on your envelopes, it will bring you returns.

Over Thirty-Five Years.

In 1972 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of every ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by City Drug Store.

Dr. Charles Hines and wife returned to their home in Forest Grove after spending a few weeks with the latter's parents at Ruch.

Owing to the fact that Medford is to hold a fruit fair this fall Jacksonville must wait. But we can have a hummer next year. The state will assist us financially. The appropriation made by the state is not being used, and this district is entitled to a nice little sum.

Lynn Purdin, editor of the Gold Hill News was in the city Tuesday, and made this office a very pleasant call. Mr. Purdin says that Gold Hill will hold a street fair sometime in September. This is good news; let Jacksonville be in line for next year. He also announces the fact that his city is contemplating a park and are talking street paving.

J. M. Bristow, who has been away from the city for four years has returned to engage in the mining business. He has been in the Salmon River district where the big find was made a short time ago, also through Trinity county and says that the best district on the coast is in Jackson county. He is a practical miner and thoroughly understands the formation in this county.

Boy's Life Saved.

My little boy, four years old, had a severe attack of isyentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea remedy which cured him and believe that saved his life.—William H. Strolling, Carbon Hill, Ala. There is no doubt but this remedy saves the lives of many children each year. Give it with castor oil according to the plain printed directions and a cure is certain. For sale by City Drug Store.
