VOL. II.

JACKSONVILLE, JACKSON COUNTY, OREGON, OCTOBER 3, 1908

NO. 22.

Women's High Grace Man-Tailored Made-to-Measure Suits, Skirts & Silk Dresses

Fall and Winter Season 1908-09

With pleasure I announce to our lady friends of Jacksonville and vicinity that our Fall and Winter styles from

CHAS. A. STEVENS & BROTHERS
CHICAGO

are now ready and as their local agent I shall be pleased to show you the large fashion plates and samples of materials of the strictly high-class suits, skirts and dresses, which are made to order according to your individual measurements, from your own selection of materials and a perfect fit and satisfaction guaranteed.

The great variety of models illustrated and the immense assortment of materials admits of every woman selecting the style and material best suited to her taste without fear of being duplicated. I will be glad to render you every possible assistance in the selection of your fall suit, skirt or dress and I am sure you will enjoy looking through the line.

KATHARINE CHAPMAN

FRUIT HARVEST NEARING END

The Peaches, Plums and Prunes About all Marketed for this Year—Fruit Small—Only few Fancy Pack Peaches This Year.

The peach, prune and plum crop has been picked and marketed for this season with the exception of a few late varieties. The fruit, excepting the grapes, is small in size this year, and the flavor is not up to the standard. This is due to the long dry season which will probably never be recorded in the history of the state again. However our fruit compares favorably with the best Eastern fruit grown. Very few fancy pack peaches have been marketed.

The grape crop is very good and of good flavor, and will net the grower a good profit. Some fine specimens of the tokay variety are on exhibition in the fruit stands in this city.

SENATOR M'LAURIN SMEARED WITH OIL

Wanted Money From the Standard Trust—Haskell Is a Steel Attorney.

William Randolph Hearst addressing the state convention of the Independence party, renewed his attack upon members of both the Republican and Democratic parties and produced another batch of letters, which he said were written by or to John D. Archbold of the Standard Oil Co.

Renewing his assault upon Governor Haskell, of Oklahoma, the treasurer of the Democratic National committee, Mr. Hearst declared that not only was he the "Standard Oil tool and promoter of crooked railways, but was one of the organizers of the steel trust."

Mr. Hearst said: The National Independence party exists today as an active and powerful force for good in every state of the Union. From many states I bring the greetings of the party to this convention, a state in which the Independence party was born. Mr. Hisgen and I have carried greetings and your doctrines throughout the country.

There are ample reasons for reforms in each state and there is urgent need of patriotic, independent action throughout the Nation. I have read letters to show the corruption in the Republi-

can party. I have read letters and court records and affidavits to show even greater corruption in the Democratic party.

Mr. Bryan and Mr. Kern attacked the Republican party for not prosecuting the steel trust. Perhaps they hope that Mr. Roosevelt will whip the steel trust out of the Republican party and into the Democratic party, as he did the oil trust and that Mr. Mack will get another \$100,000 if Mr. Roosevelt should drive out the steel trust, the Democratic party is quite ready to receive it, for the same C. N. Haskell according to court records, is one of the men who helped to organize the steel trust.

Mr. Hearst then read an extensive court record of a suit brought by John P. Baily, law partner of Mr. Haskell, against the Illinois Steel Company, and the Federal Steel Company, showing Mr. Haskell as an "attorney" and "organizer" for said companies. He continued:

I think that we all know more about the purposes of the Standard Oil Company and its plan of business than we did a few years ago. We all know that the Standard Oil Company has "done wonders in the United States," or at least in the United States Senate. We all know that the Standard Oil Company by the "application of genius and discovery" has developed some pretty "raw material" in the organization of the Democratic party.

As examples of methods that were never dreamed of a few years ago I am going to read you the following letter:

"26 Broadway, Dec. 1, 1901.—My Dear Senator: I have your kind favor of yesterday. We have of course noted your recent disagreeable experience with T. with the utmost interest. Think you have done just right in not being goaded by him into doing a foolish thing.

I am greatly interested in the suggestion of the law practice and will see to it that it is kept in mind, with the hope that something may develop in which I can be of service to you in connection therewith.

With kind regards I am truly yours,
JOHN D. ARCHBOLD.

Hon. John L. McLaurin, Senate Chamber Washington D. C.

United States Senate, Bennettsville S. C., May 19, 1902. Dear Mr. Archbold: I have pushed my fight so vigorously that they have called on Tillman. I met him at Daffney and beat him at his own game.

I called his bluff and now the fight is for two seats in the Senate instead of one. I can beat Tillman, if properly and generously supported. There is no time to lose, however.

With kindest regards, I am, yours sincerely,
JOHN M'LAURIN.

26 Broadway, April 21, 1904.—Mr. Frederick L. Eldridge, First Vice-President of the Knickerbocker Trust Company, New York, 66 Broadway:

"My Dear Eldridge: It gives me pleasure to introduce to you hereby Senator J. L. McLaurin, of South Carolina, who desires to discuss with you some business questions of mutual interest. I cannot speak in too high terms of Senator McLaurin, for whom I bespeak your kindly consideration. Very truly yours,
"JOHN D. ARCHBOLD."

Senator McLaurin is a Democrat and Baile is a Democrat and Bryan's man Haskell is a Democrat, but do not imagine that the Standard Oil Company is a narrow partisan concern. Not at all. It is inspired by a spirit of independence. It is as independent as we are, and if we would preserve our liberties we must be as independent and non-partisan as it is.

This letter is about a Republican Senator:

"Personal and confidential.

"House of Representatives, Washington D. C. Nov. 23, 1903.—My Dear A.: A Rep. United States Senator came to me today to make a loan of \$1000. I told him I did not have it but would try to get it for him and would let him know in a day or two. Do you want to make the investment? He is one who will do anything in the world that is right for his friends, if ever needed. Please telegraph me yes or no. I will give you his name when I see you. I don't no but what I ought to come over and see you. Events are crowding and I am on the inside of them. And think I am playing no small hand and want to know whether to go ahead. The nomination of a Republican President is not settled. No man can safely predict the nominee and guess I have got hold of the real situation as closely as any one here.

"If you need me for any purpose, telegraph me and I will come over."
JOSEPH C. SIBLEY."

The word "rep." cannot possibly mean reputable. We are positive on that point. It might possibly mean reprehensible, but it more probably means Republican. The above letter undoubtedly relates to a Republican Senator, but do not as I have said before imagine that these great corporations which make investments in the people's representatives are partisan institutions.

The next letter shows how they are ready to take advantage of any turn in any election and to have their candidate chosen, no matter whether a state goes Democratic or Republican.

Here Mr. Hearst read a letter to N. F. Clark from John Archbold. Its contents referred to a Democratic Senator to succeed Senator Faulkner, of West Virginia. The letter clearly showed Governor Fleming as its choice for the office. Mr. Hearst continued:

Can you not see that it makes no difference to these great corrupt corporations which of the parties win? Can you not see that the only thing the corporation interests are afraid of is a new party— an Independence party?

FROST IN THE WILLAMETTE VALLEY

The following appeared in the Albany Herald of September 25.

"In the orchards of Eagle valley peaches are rotting by the tons. Pears peaches and tomatoes are still on the market, but the fruit season is drawing to close. Though fruit is getting scarce, it may be had in the upper end of the valley for two or three weeks to come.

Eagle valley had a bumper fruit crop this season. The yield of hay, grain and vegetables was larger than usual. This is one section of the country that did not feel the shortage of crops."

BAND CONCERT WEDNESDAY NIGHT

The Jacksonville Juvenile Band gave a concert Wednesday night on California street. These concerts are to continue until the wet season starts in. We need a band stand in some part of the city where a person could spend a few hours a week enjoying the sweet refrains of our band.

ANOTHER BAND TO ORGANIZE

There will be a meeting at the city hall next Monday night for the purpose of organizing a senior band. All musicians are requested to be present. Jacksonville has the material for a good band, and with a little practice could put up the real article.

Lame Back.

This ailment is usually caused by rheumatism of the muscles of the small of the back, and is quickly cured by applying Chamberlain's Liniment two or three times a day and massaging the parts at each application. For sale by City Drug Store.

REPUBLICAN CLUB MET WEDNESDAY

Much Enthusiasm Displayed—Committee Appointed to Arrange For a Big Meeting Wednesday, October 14, at Court House.

Wednesday was the second weekly meeting of the Taft-Sherman Republican Club of this city. This was a business meeting for the purpose of making arrangements for speakers and a program for a big meeting to be held at the court house Wednesday, October 14. The program will consist of vocal and instrumental music, speaking, Mr. Taft's speech on the phonograph.

These meetings are for the ladies as well as men. Don't stay away because it is a political meeting, you will enjoy the music as well as the speaking.

There will be a meeting next Wednesday night in the court house to perfect plans for the big rally. The public is invited to attend these meetings as nothing is a secret in the club.

Much enthusiasm was displayed at the meeting Wednesday night which shows that some good will result from these meetings. When the question came up for a band the necessary funds were guaranteed by the committee, consisting of one (W. R. C. Leman.) Nevertheless W. R. will have the band there. The following committees were appointed:

Committee on vocal music, committee on instrumental music, committee on speakers, committee on decorations, committee on hall, and publicity committee.

The minutes of each meeting will be read so that those who were absent at the last meeting will know what is going on, however it is requested that all members be present at each meeting.

A few copies of Taft's speech of acceptance is in the hands of Secretary Hanna, those wishing to see a copy may have the same by calling on the secretary at his office.

Every republican should wear a Taft button, they can be had for the asking. Wear the buttons and attend the meetings and put Taft in by the largest majority ever given a candidate in the history of the country. Bryan is not as strong today as he was at the opening of the campaign. Governor Haskell's connection with the Standard Oil company is materially damaging Bryan. It shows that Bryan will tell the people one thing and do entirely different. Haskell has started suit in the courts against W. R. Hearst, the champion of democracy for exposing the facts concerning the democratic committee.

For Chronic Diarrhoea.

"While in the army in 1863 I was taken with chronic diarrhoea," says George M. Felton of South Gibson, Pa. "I have since tried many remedies but without any permanent relief, until Mr. A. W. Miles, of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale by City Drug Store.

REAL ESTATE

\$4,500.	230 acres, grain and timber.
6,000.	55 acres, fruit, alfalfa, grain.
5,000.	30 acres, 10 acres in grapes.

ULRICH BROTHERS

Fall & Winter Hats

AMONG the many merits of International Tailoring, is the very appealing one of square treatment.

To begin with, every fabric is sold on its merits and you know before you place your order whether it is ALL WOOL or not.

There is never any discussion about quality—its worth is plainly marked. But, value for value, the International fabrics cannot be duplicated anywhere at any price—nor in the elegance of their designs and colorings. And you ought to see the STYLES at your disposal just now. They will more than please you—aye! please you as much as the tailoring itself, the grace, the hang and the fit. Call and look the samples over.
