Force of Storm Waves.

The average storm wave is thirty feet in height. The highest storm waves ever measured were between forty-four and forty-eight feet high. The gigantic force of storm waves is shown by the fact that at Skerryvore lighthouse, off the west coast of Scotland, a mass of rock weighing five and a half tons was once hurled to a height of seventy-two feet above the sea level, while a mass weighing thirteen and a half tons was torn from a cliff seventy-four feet high.—Pall Mall Gazette.

The Variable Feminine.

Dora (at the party)—Geoffrey, you mustn't monopolize me, you know.

Geoffrey—Why, dear, I haven't been monopolizing you.

Dora—Well, why haven't you, you stupid thing?

Insuperable.

"You say you don't object to me on account of my age, Miss Ginevra?"

"No, I don't mind your age a bit, Mr. Rypun."

"Then what is the objection, may I ask?"

"You look it."

A New Name.

"What do you call a man who drives an automobile?"

"Well, judging by the way in which he takes possession of the road I should say an auto-crat."—Baltimore American.

Insisting on Accuracy.

"Did you arrest this man?" asked the police justice.

"I did not, your honor," answered the officer, formerly a resident of Boston. "Obviously I could not arrest him, for he was not in motion at the time. I merely effected his capture, your honor."

Mistaken Idea.

Physician—My dear fellow, you should practice deep breathing.

Caller—Great snakes, doctor, I do! I work in a coal mine.

Out of the Dim Past.

Nebuchadnezzar was eating grass.

"But I'm not yelling 'Ee-yah!' and pretending to like it," he said.

Regardless of what the fans in the grand stand and on the bleachers might think of him, he continued to tear up handfuls and chew it because he hadn't anything else to eat.

Poor Guesser.

The eminent statesman summoned his private secretary.

"This is the third letter I have had from Mannyherup," he said, "at the end of which he has marked 'Confidential.' B. T. L. What does he mean by B. T. L.?"

"Don't you know?" said the private secretary, lowering his voice. "He means 'Burn This Letter.'"—Chicago Tribune.

OREGON FOR TAFT.

Will Carry State by Over 20,000 Votes According to Returns.

Portland, Nov. 5.—Final returns in Oregon will probably show the Taft plurality very close to 25,000. Returns are complete from 16 of the 34 counties, containing three-fifths of the vote, and give Taft a lead of 15,325. In the 18 incomplete counties the count has proceeded far enough to indicate an additional plurality of nearly 10,000. Owing to the incompleteness of the figures on Debs, Chafin and Hisgen, their respective totals cannot be approximated so closely as those of Taft and Bryan. It appears that the lesser candidates polled less than 10,000. Of these Debs received between 6,000 and 7,000, Chafin 2,500 and Hisgen less than 500.

Portland, Nov. 5.—Multnomah county gave Taft a plurality of 7,949. County Clerk Fields yesterday completed the official count, which shows the following vote: Taft 17,819, Bryan 9,870, Chafin 630, Debs 1,455, Hisgen 45. The total number of votes cast against Taft in the county was 12,000, giving him a majority of 5,819.

The Dalles, Nov. 4.—Complete returns from Wasco county give Taft 1,324, Bryan 770, Chafin 56, Debs 141, Hisgen 4. Taft's plurality is 554.

Albany, Nov. 4.—Linn county, which Bryan carried in 1896 and 1900, has given Taft a plurality of 385 votes. Complete unofficial returns from every precinct in the county give Taft 2,202, Bryan 1,817, Chafin 147, Debs 331, Hisgen 10.

Eugene, Nov. 4.—With 36 out of 50 precincts counted, the results in Lane county are: Taft 2,953, Bryan 1,635, Debs 252, Chafin 79, Hisgen 7. The Socialist vote is about 30 per cent less than it was a year ago. The Prohibition vote is much less than usual, while the Independent vote will average about one to every four precincts.

Salem, Nov. 4.—Today's returns from outlying precincts in Marion county have increased Taft's lead from 1,300 to 1,473. Thirty-six out of 42 precincts give Taft 3,629 and Bryan 2,156.

Pendleton, Nov. 4.—With less than 30 votes to be accounted for in the entire county, Taft's lead in Umatilla is 789. The vote as it stands at present is: Taft 2,225, Bryan 1,436.

Hillsboro, Nov. 4.—Washington county's complete unofficial vote gives Taft a plurality of 1,170 over Bryan. But one precinct in the 21 was carried for Bryan.

Oregon City, Nov. 4.—Complete unofficial returns from every precinct in Clackamas county give Taft 2,798, Bryan 1,895. The Prohibition and Independence vote combined will probably not exceed 1,000.

Grants Pass, Nov. 4.—Election returns from Josephine county show a Republican majority of 256. The vote from 10 precincts is Taft 879, Bryan 622, Prohibition 20, Socialist 276, Independence 14.

Medford, Nov. 4.—With five precincts yet to be heard from, the collective vote of which will not reach 100, Jackson county shows a plurality for Taft of 492 votes. The entire vote, unofficial, of 27 of the 32 precincts of the county: Taft 1,941, Bryan 1,449, Debs 307, Chafin 84, Hisgen 1.

Burns, Nov. 4.—Precinct returns come in very slowly, only 12 of 19 precincts have yet reported, but these have 734 out of the 1,000 votes in the county. The result so far is Taft 394, Bryan 271, Debs 61, Chafin 6, Hisgen 2.

La Grande, Nov. 4.—Union county gave Taft a plurality of 321. Taft's total vote was 1,520, Bryan 1,199, Chafin 41, Debs 232, Hisgen 10.

Astoria, Nov. 4.—Complete unofficial returns from all precincts in Clatsop county give Taft a plurality of 827. The vote received by each one of the candidates is as follows: Taft 1,484, Bryan 657, Chafin 49, Debs 284, Hisgen 8.

Marshfield, Nov. 4.—Returns from two leading towns in Curry county: Gold Beach—Taft 26, Bryan 11, Hisgen 1. Wedderburn—Taft 20, Bryan 7. Indications are that with rural districts Taft will have 100 plurality in Curry county.

McMinnville, Nov. 4.—Complete official election returns for Yamhill county show a total of 3,657 votes, of which Taft electors received 1,988, Bryan 1,253, Chafin 251, Debs 161, Hisgen 4.

Roseburg, Nov. 4.—Twenty six precincts out of 31 in Douglas county give Taft 2,014, Bryan 1,999, Debs 355, Chafin 62, Hisgen 7.

Marshfield, Nov. 4.—Practically complete returns in Coos county give Taft 1,773, Bryan 786, Debs 293.

Toledo, Nov. 4.—Returns from nine precincts out of 14 in Lincoln county give Taft 499, Bryan 213, Debs 108.

Moro, Nov. 4.—Complete unofficial returns from Sherman county give Taft 443, Bryan 252, Chafin 45, Debs 32.

Lakeview, Nov. 4.—Complete returns in Lake county give Taft 464, Bryan 239, Debs 50, Chafin 4, Hisgen 5.

Klamath Falls, Nov. 3.—Klamath Falls gave Taft 318; Bryan 186; Debs 44; Hisgen 3, Chafin 5. Incomplete returns from the county give Taft 499; Bryan 332; Debs 68; Hisgen 9; Chafin 3.

Vale, Nov. 3.—Taft leads by 111 votes in Malheur county from six precincts so far reported.

St. Helens, Nov. 4.—Complete returns in Columbia county give Taft 1,188, Bryan 425, Chafin 37, Debs 182, Hisgen 16.

The Rich Turkish Beggar.

Beggars are never suppressed in Turkey. The story is told (and they say it is true) about an American lady who by mistake gave a beggar of Constantinople a goldpiece. The man had left his post when she returned, but one of his colleagues told her where he "resided." It was a fine house, and at the door was a servant, who politely informed the lady that "my master is dressing. He will be down soon." And then the well-groomed beggar, dressed for dinner, appeared and gladly returned the gold piece, exclaiming in the meanwhile that such mistakes were highly embarrassing.—"Charities and Commons."

S.S.S. DRIVES OUT BLOOD HUMORS

The skin is not simply an outer covering of the body, but through its thousands of pores and glands it performs the great and necessary work of regulating our temperatures, and also assists in disposing of the refuse and waste matters of the system by the constant evaporation that goes on through these little tubes. To perform these duties the tissues and fibres which connect and surround the pores and glands must be continually nourished by pure blood. When from any cause the circulation becomes infected with impurities and humors, it loses its strengthening powers and begins to disease and irritate the delicate tissues, and produces Eczema, Acne, Tetter, or some other itching, disfiguring skin trouble. S. S. S. cures skin diseases of every kind by going down into the circulation and neutralizing and removing the impurities and humors. It changes the quality of the blood from an acid, fiery fluid to a cooling, health-producing stream, which, instead of irritating and inflaming the skin, cures and nourishes it by its soothing, healthful qualities. Salves, washes, lotions, etc., may be used for any temporary comfort or cleanliness they afford, but skin diseases cannot be cured until S. S. S. has purified the blood. Physicians Recommend Castoria

CASTORIA has met with pronounced favor on the part of physicians, pharmaceutical societies and medical authorities. It is used by physicians with results most gratifying. The extended use of Castoria is unquestionably the result of three facts: **First**—The indisputable evidence that it is harmless; **Second**—That it not only allays stomach pains and quiets the nerves, but assimilates the food; **Third**—It is an agreeable and perfect substitute for Castor Oil. It is absolutely safe. It does not contain any Opium, Morphine, or other narcotic and does not stupefy. It is unlike Soothing Syrups, Bateman's Drops, Godfrey's Cordial, etc. This is a good deal for a Medical Journal to say. Our duty, however, is to expose danger and record the means of advancing health. The day for poisoning innocent children through greed or ignorance ought to end. To our knowledge, Castoria is a remedy which produces composure and health, by regulating the system—not by stupefying it—and our readers are entitled to the information.—Hall's Journal of Health.

Letters from Prominent Physicians addressed to Chas. H. Fletcher.

Dr. B. Halstead Scott, of Chicago, Ill., says: "I have prescribed your Castoria often for infants during my practice, and find it very satisfactory."

Dr. William Belmont, of Cleveland, Ohio, says: "Your Castoria stands first in its class. In my thirty years of practice I can say I never have found anything that so filled the place."

Dr. J. H. Taft, of Brooklyn, N. Y., says: "I have used your Castoria and found it an excellent remedy in my household and private practice for many years. The formula is excellent."

Dr. R. J. Hamlen, of Detroit, Mich., says: "I prescribe your Castoria extensively, as I have never found anything to equal it for children's troubles. I am aware that there are imitations in the field, but I always see that my patients get Fletcher's."

Dr. Wm. J. McCrann, of Omaha, Neb., says: "As the father of thirteen children I certainly know something about your great medicine, and aside from my own family experience I have in my years of practice found Castoria a popular and efficient remedy in almost every home."

Dr. J. R. Clausen, of Philadelphia, Pa., says: "The name that your Castoria has made for itself in the tens of thousands of homes blessed by the presence of children, scarcely needs to be supplemented by the endorsement of the medical profession, but I, for one, most heartily endorse it and believe it an excellent remedy."

Dr. R. M. Ward, of Kansas City, Mo., says: "Physicians generally do not prescribe proprietary preparations, but in the case of Castoria my experience, like that of many other physicians, has taught me to make an exception. I prescribe your Castoria in my practice because I have found it to be a thoroughly reliable remedy for children's complaints. Any physician who has raised a family, as I have, will join me in heartiest recommendation of Castoria."
