The Jacksonville Vote

The election was very quiet and the vote small. There was no one hanging around the polls, no ward heelers handing out cards and everything passed off like clock work. The vote stood 154 for Taft and 73 for Bryan.

Antioch, Gold Hill, Meadows, Rock Point, Sterling, Willow Springs, Woodville and Wimer precincts gave Bryan small majorities.

Fortunes of the World Are Founded on Oil

Joe Chans'or, now several times a millionaire, was, not so long ago, a clerk in Los Angeles. He borrowed some money for the purpose of operating in California oil; the result was that it made him one of the wealthiest men in the state. John A. Bunting, formerly a brakeman on the Southern Pacific, through the investment of \$ 70.00 in California oil land became a millionaire.

We could tell you of innumerable others. Why were Bunting, Chanslor and many others, who made their money through investments in oil, successful? Because they were shrewd, level-headed, observing men possessing unbounded confidence in the great future of the California oil fields and the oil industry. The demand for oil is increasing daily. The consumption far exceeds the output. Several oil companies paid substantial dividends when oil was selling at fifteen cents per barrel. Oil is now selling at SIXTY CENTS PER BARREL at the well. The total dividends for the year 1908, from all the oil companies now doing business in California, not including the Standard, will probably reach the \$6,000,000 mark, and reach the \$10,000,000 mark for the year 1909. Therefore, the natural conclusion to arrive at is INVEST IN OIL SECURITIES; INVEST AT ONCE. We are offering for sale a limited number of shares on what we consider to be one of the best Companies operating in Kern County, in fact, in California. We refer to the stock of the KERN ASSOCIATED OIL COMPANY. The stock of the KERN ASSOCIATED OIL COMPANY is the best proposition ever offered the investment public. This Company owns free of incumbrance FORTY ACRES IN THE VERY HEART OF THE KERN RIVER OIL DISTRICT and situated on the Southern Pacific Railroad. It adjoins the San Joaquin Oil and Development Company's property which was recently merged with the Associated Oil Company, WHOSE STOCK IS NOW SELLING AT \$34.00 PER SHARE. It also adjoin the famous Discovery well, where oil was first discovered in the Kern River oil fields. THE KERN ASSOCIATED OIL COMPANY has two wells on its property. Well No. 1 IS IN OIL and gives about sixty-five barrels of oil per day. With a greater depth and a more approved pump, the productions will be largely increased. The Company desires to sink four more wells and to install modern compressed-air pumps. We believe that well No. 2 will, with greater depth, produce a large and inexhaustible oil supply, as are the other wells on adjoining properties. We are offering a limited number of shares in this Company at 20 cents per share. Do you realize what that means? It means that in purchasing this stock you become interested in a company that can produce the oil. It is not a case of "They may," "They should," but "THEY ARE."

Let us again impress upon you these highly important facts; The property is a producer; is entirely surrounded by reliable producing properties that there is sufficient acreage (forty acres) to justify the drilling of forty more wells, all of which would be in the very core of one of the richest oil-producing districts in the world. Remember that Kern County produces as much oil as any other three oil producing counties in California. Shipping facilities could not be better, for the property adjoins the Southern Pacific tracks. The Company has valuable assets in improvements. Two wells, derrick, tanks, tools and bunkhouses, etc.

Before accepting the fiscal agency of The Kern Associated Oil Co. we thoroughly investigated every detail pertaining to the Company and its property. We did not take snap judgement, we never do; consequently want to assure you that the stock of this Company at twenty cents per share is the most unparalleled opportunity for the investor that ever came under our observation.

We sincerely believe that the Kern Associated Oil Co. is destined to pay dividends as surely and as regularly as is the Associated Oil and other companies operating on adjoining properties, and we see no reason why within twelve months the stock should not be quoted at many times its present selling price.

We unhesitatingly advise you to buy every share you can possibly afford. Watch the stock advance from twenty cents to two dollars. Do not delay. Get your order in to us quickly.

\$ 20 will buy 100 shares, par value \$ 100.
\$ 50 will buy 250 shares, par value \$ 250.
\$100 will buy 500 shares, par value \$ 500.
\$500 will buy 2,500 shares, par value \$2,500.

From the above cash price you may deduct five per cent. If you are not prepared to pay cash, then buy on our easy-payment plan of one-fifth cash and one-fifth monthly.

100 shares for \$20—pay \$4 down and \$4 monthly.
250 shares for \$50—pay \$10 down and \$10 monthly.
500 shares for \$100—pay \$20 down and \$20 monthly.
1,500 shares for \$300—pay \$60 down and \$60 monthly.

THE STOCK OF THE KERN ASSOCIATED OIL CO. IS THE BEST BUY ON THE MARKET TO-DAY. ACT QUICKLY, BEFORE THE SHARES ARE ADVANCED IN PRICE.
