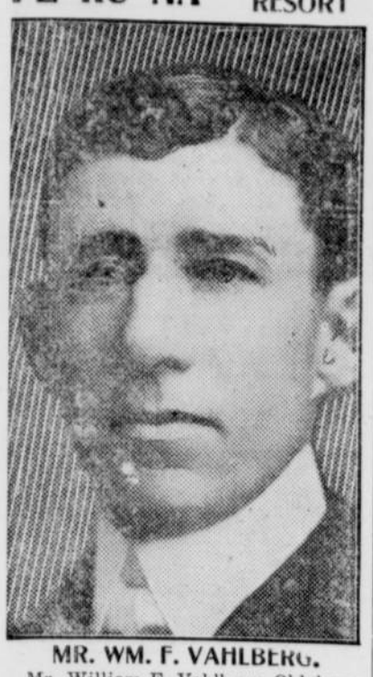
PE-RU-NA AS A LAST RESORT



MR. WM. F. VAHLBERG.

Mr. William F. Vahlberg, Oklahoma City, Okla., writes:

"One bottle of Peruna which I have taken did more toward relieving me of an aggravated case of **catarrh of the stomach,** than years of treatment with the best physicians.

"I had **given up hopes** of relief, and only tried Peruna as a last resort.

"I shall continue using it, as I feel satisfied it will effect an **entire and permanent cure.**

"I most cheerfully recommend Peruna to all who may read this."

Peruna is usually taken as a last resort. Doctors have been tried and failed. Other remedies have been used. Sanitariums have been visited. Travel has been resorted to.

At last Peruna is tried. Relief is found.

This history is repeated over and over again, every day in the year. It is such results as this that gives Peruna its unassailable hold upon the people. We could say nothing that would add force to such testimonials as the above. That people who have had catarrh and have tried every other remedy available, find relief in Peruna, constitutes the best argument that could be made.

"But why are you in such a hurry to get married? I love you and you are on the right side of papa."

"I know, but it's this keeping on the right side of papa that is worrying me; when we are married I won't have to let him win at poker when he plays."—Houston Post.

"I'll see," said the wife, "that you don't forget
To order that ironstone china set!"
He missed his train, for she made him linger
While she tied a string around his finger.

Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value.

FACE PERIL IN INDIA

High Class Hindus Lead Revolt Against British.

KING EDWARD'S SPEECH USELESS

Government Responds to Appeal for More Troops to Deal With Menacing Situation.

London, Nov. 26.—The seriousness of the Indian uprising has caused the government to take vigorous action both here and in the affected districts. The war office today ordered a substantial military enforcement to proceed immediately from Aldershot to the scene of the impending revolt, it being represented to the authorities that the local officials in India were unable to cope with the situation and were sorely in need of troops.

Reports of extended police investigations among the Hindu "reds" disclose the existence of a far reaching organization numbering hundreds of thousands of natives, bent on overthrowing British control, murdering Lord Minto and Lord Kitchener and seizing the machinery of government to place it in the hands of the revolutionary society.

Government assurances that the higher class natives are out of sympathy with the movement are known to be baseless. The best educated and highest caste Hindus are known to be the real organizers of the anti-English conspiracy, and several of the richest and most powerful native princes are among those most strongly suspected.

King Edward's liberal birthday address to India a few weeks ago has evidently been passed over by the conspirators, as too vague in its promises, as untrustworthy or as pledging less than the minimum which the natives are willing to accept. It has, in any event, been wholly without effect in allaying discontent.

GOMEZ IN CHARGE.

Castro Sails for France to Undergo Surgical Operation.

Caracas, Nov. 26.—President Castro will sail tomorrow from La Guayra on the steamer Guadeloupe for Bordeaux, for the purpose of undergoing an operation at the hands of skilled specialists of Berlin. Efforts which were made recently to have Dr. Israel, of Berlin, come to Caracas, to perform the operation failed. It will be performed on President Castro's arrival at Bordeaux, where Dr. Isreal will be in waiting.

Should it be successful, the president will visit Paris, where he will rest for a few days only, as he wishes to return to Caracas at as early a date as possible. Three of the leading Venezuelan physicians will accompany the president, also several members of his immediate family.

The greatest excitement prevails in Caracas and political intriguing already has been commenced. It is thought that the departure of President Castro may open the road for the settlement of the Dutch, American and French disputes. Vicente Gomez, the vice president, will assume the presidency.

REVOLUTION IS SPREADING.

Government Gunboat Falls Into Hands of Haytien Rebels.

Port au Prince, Hayti, Nov. 26.—The revolutionary movement against President Nord Alexis is spreading. The towns of Aquin and Jeremie have both declared against the government.

The gunboat Croyant, which has fallen into the hands of the rebels, encountered the gunboat Centenairo off Jeremie and shots were exchanged.

Late advices received here confirm the report of the execution of General Lecomte. He was captured near Jeremie, together with his escort, after a short struggle.

Ancient Tomb is Found.

East St. Louis, Ill., Nov. 26.—Human bones, believed to have been those of 16 mound builders, were found in East St. Louis yesterday by workmen who were digging an excavation. One skeleton was walled up in a stone tomb eight feet high. It was that of a man apparently seven feet tall. When the stones were removed the skeleton fell to pieces. Buried under seven feet of earth near this ancient tomb were the skeletons of 15 men, all above normal height. They were seated in a circle about the tomb of their chief.

Plan to Fight Freight Rates.

San Francisco, Nov. 26.—Preparations are complete for a series of meetings and conferences, having for their object the organization of a strong opposition against the new freight rates which have been threatened by the transcontinental railroads and which, it is claimed, would work grave injury to the interests of the Pacific coast tanners, fruit canners, fruit driers, bean growers, ship chandlers and shoe finders.

Natives Rise in Transvaal.

Cape Town, Nov. 26.—Armed natives attacked a passenger train near Johannesburg early today, riddling the coaches with bullets and injuring several passengers. The attack is believed to have been the result of race troubles, which have been growing at an alarming rate lately, and it is probable the government will be asked to action.

"Well, er—I meant you would find it up to your neck, sir, if you jumped in head first."
