America's Greatest Weekly

THE

TOLEDO BLADE

TOLEDO, OHIO.

The Best Known News-

paper in the United

States

Circulation 200,000

Popular in Every State.

In many respects the Toledo Blade is the most remarkable weekly newspaper published in the United States. It is the only newspaper especially edited for National circulation. It has had the largest circulation for more years than any newspaper printed in America. Furthermore, it is the cheapest newspaper in the world, as will be explained to any person who will write us for terms. The News of the World so arranged that busy people can more easily comprehend, than by reading cumbersome columns of dailies. All current topics made plain in each issue by special editorial matter written from inception down to date. The only paper published especially for people who do or do not read daily newspapers, and yet thirst for plain facts. That this kind of a newspaper is popular is proven by the fact that the Weekly Blade now has over 200,000 yearly subscribers and is circulated in all parts of the United States. In addition to the news, the Blade publishes short and serial stories and many departments of matter suited to every member of the family. Only one-dollar-a-year. Write for free specimen copy.

A prominent horticultural writer says of Jacksonville: "There is fruit land enough around Jacksonville if in orchards and vineyards to make that town one of the most prosperous in Rogue River Valley. It would be possible to ship 1000 cars of fruit a year from Jacksonville and then have plenty of fruit and vegetables to supply a cannery in the town. Boost it all you can and we will make Jacksonville as famous for a big fruit district as it has been for a gold mining district."

Mrs. Weldon Hartley had a very narrow escape Monday afternoon while on her way to Medford. At the bridge across Anderson creek the horses became frightened at one of the men throwing dirt out of the cut and ran to the next bridge. There they collided with the corner of the bridge, throwing Mrs. Hartley out. At first it was feared that the lady was quite seriously hurt. Dr. Shaw was summoned, but found her injuries not of a serious nature. She was taken to the home of C. Caray, where she was made comfortable until she was able to be taken to her home in North Talent.

Rheumatic Pains

"My mother is a great sufferer from rheumatism, and Dr. Miles' Anti-Pain Pills is the only remedy that relieves her."

MRS. G. DAVENPORT,

Roycefield, N. J.

The pains of rheumatism are almost invariably relieved with Dr. Miles' Anti-Pain Pills. They also overcome that nervous irritation which prevents sleep because they soothe the nerves. To chronic sufferers they are invaluable. When taken as directed, they relieve the distress and save the weakening influence of pain, which so frequently prostrates. Many sufferers use them whenever occasion requires with the greatest satisfaction, why not you? They do not derange the stomach nor create a habit. Why not try them? Get a package from your druggist. Take it according to directions, and if it does not benefit he will return your money.
