NEEDFUL KNOWLEDGE

Jacksonville People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's Disease, or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Jacksonville proof:

Mrs. M. H. Rountree, living on the North side, Jacksonville Ore., says: "Backache and dizzy spells, made life a burden to me for a long time. I suffered so severely from dull pains in my back and hips that I could hardly get around. I was tierd and worn out and had no ambition to attend to my ordinary household duties. If I attempted to stoop sharp twinges would dart through my back and I would also suffer from dizziness. I used many remedies but obtained no relief until I procured Doan's Kidney Pills, on the advice of a friend, at the City Drug Store. The results obtained from using this remedy were better than I had hoped for. I improved from the time I began using Doan's Kidney Pills and when I had used three boxes I was completely cured. I cannot say too much in praise of Doan's Kidney Pills."

For Sale by all Dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States. Remember the name—Doan's and take no other.
