NIGHT RIDERS UP FOR TRIAL

There is a remarkable trial going on at Union City, Tenn. An organization of lawless men killed Captain Rankin on October 19 and the grand jury indicted a few of the party.

The trouble grew out of a dispute over the possession of a lake. The night rider band claimed the lake while the lake was lawfully owned by a club for fishing grounds.

The custom of the night riders was to tie anyone opposed to their belief to a tree and whip them with a cat-nine-tail.

On one occasion a woman left her husband for drunkenness and the night riders led her out into the timber and stripped her and whipped her on the bare skin until she submitted.

Five Years of Heart Trouble Cured by Dr. Miles' Heart Remedy
"Before I began taking Dr. Miles' Heart Remedy I had been suffering from heart trouble for over five years. I had pains in my left side, and under my shoulder blade, could not sleep on the left side, and was so short of breath the least exertion would bring on the most distressing palpitation. I had scarcely taken a half bottle of the Heart Remedy before I could see a marked change in my condition. When I had taken six bottles I was cured."
MRS. C. C. GORKEY,
Northfield, Va.
If there is fluttering or palpitation it is an indication of a weakness of the nerves and muscles of the heart. It is not necessarily diseased—just weak from over-work. The heart may be weak just the same as the eyes, stomach or other organs. You can make a weak heart strong by taking Dr. Miles' Heart Remedy. Get a bottle from your druggist, take it according to directions, and if it does not benefit he will return your money.
