Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy. "As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by City Drug Store.

Five Years of Heart Trouble Cured by Dr. Miles' Heart Remedy "Before I began taking Dr. Miles' Heart Remedy I had been suffering from heart trouble for over five years. I had pains in my left side, and under my shoulder blade, could not sleep on the left side, and was so short of breath the least exertion would bring on the most distressing palpitation. I had scarcely taken a half bottle of the Heart Remedy before I could see a marked change in my condition. When I had taken six bottles I was cured." MRS. C. C. GORKEY, Northfield, Va. If there is fluttering or palpitation it is an indication of a weakness of the nerves and muscles of the heart. It is not necessarily diseased—just weak from over-work. The heart may be weak just the same as the eyes, stomach or other organs. You can make a weak heart strong by taking Dr. Miles' Heart Remedy. Get a bottle from your druggist, take it according to directions, and if it does not benefit he will return your money.
