**SOMETHING ABOUT TYPEWRITERS**

Why do so many people pay \$100.00 for a typewriter when they can get one just as good for about \$50.00?

We are agents for the GRADY REBUILT TYPEWRITERS and can furnish our customers with almost any machine they want. These are not second-hand machines but re-built. Webster defines the word "rebuilt"—"to build again"—and "repaired" as "mended".

These machines are sent to the Grady factory and every movable part is taken off and sold as junk, including the type bars. All bearings are replaced with new, the machine is re-named and re-nickled and few of the most expert can detect the difference. Many of the rebuilt machines are equipped with the latest improvements and are guaranteed to do first-class work.

Go over these prices and see whether you can do better. Remington, models 6 and 7, price \$48 to \$60. No. 2 Remington, \$30. Each No. 2 Remington is equipped with two color ribbon permitting you to write in two colors. Smith Premier, No. 1, \$35; No. 2, \$45 to \$60. Oliver No. 3, \$50. Underwood No. 1 and 2, \$55 to \$75. We have the Monarch, Fox, Fox Visible, Densmore, Fay Sholes, New Century, Blickensderfer. The machines range in price from \$20 to \$75, just as good as new with a better guarantee.

Take one on three months trial and if not satisfactory all we ask is a small monthly rental for the use of the machine which will be applied on any other machine you may select.

Bring out the dignity of your business by using a typewriter, it is the modern way. How many letters do you receive from a business house not written on a typewriter? If you receive a letter from your wholesaler written in long hand the thought strikes you that he is not progressive and unsafe to deal with. That his goods are of an inferior grade and his price may be too high. If he does not use a typewriter he is not modern and his goods must evidently be out of date.

**Whooping Cough.**

This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Deibert McKeig of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it too highly." For sale by City Drug Store.

**Rheumatism**

More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of

**Chamberlain's Liniment**

is all that is needed and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. Price 25c; large size, 50c.

**Ten Doctors Said He Would Die**

"In 1903 we wrote you regarding my husband, who was suffering from heart trouble. He was superannated by the North Georgian Conference. Ten doctors at different times said he would die. You advised Dr. Miles' Heart Remedy and Restorative Nervine; we did as advised, and improvement was apparent from the very first. He recovered and the Conference in 1904 gave him a charge. He never felt better, although he has very heavy work and does a great deal of camp meeting work. I am so glad we took your advice and gave him the medicine, and feel that I ought to let you know of the wonderful good results from its use."

MRS. T. S. EDWARDS,  
Milner, Ga.

This proves what Dr. Miles' Heart Remedy will do. Get a bottle from your druggist and take it according to directions. It does not matter whether your heart is merely weak, or you have organic trouble, if it does not benefit you take the empty bottle to your druggist and get your money back.

By strengthening the nerves which control the action of the liver and bowels Dr. Miles' Nerve and Liver Pills cure constipation. 50 doses 25 cents.
