It is the few men of every community who carry the burdens and do the hard work for the people at large and as a rule these are not office holders, but they are workers who look after the community interests. They are always to be depended upon to take up municipal reforms, heads important industrial movements, encourage financial betterments, lead in matters of higher education and give encouragement to religious endeavor. In short, the well being of every city and county depends on the few who, unconsciously as it were, stand for the integrity of the municipality, the county organization and for the state. We be unto that place which lacks these great minds and workers. They are required to give protection to the vital interests of community and commonwealth.—Courier.

MARRIED

LYNN-HOWE, Monday May 17, 1909, at the M. E. parsonage in this city, Rev. G. A. Gray officiating; Mr Chas. U. Howe to Miss Anna Cora Lynn, both of Medford.

Bounty on Wild Animals.

Under the new law which goes into effect to-day Oregon will pay the highest market prices for scalps for the next two years. The bounty for lynx, bobcat or wildcat, \$2. for gray or black wolf pup, \$2.50; for mountain lion, panther or cougar, \$10. and for gray or black wolf, \$ 55.

Rheumatism

More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of

Chamberlain's Liniment

is all that is needed and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. Price 25c; large size, 50c.

SOMETHING ABOUT TYPEWRITERS

Why do so many people pay \$100.00 for a typewriter when they can get one just as good for about \$50.00?

We are agents for the GRADY REBUILT TYPEWRITERS and can furnish our customers with almost any machine they want. These are not second-hand machines but re-built. Webster defines the word "rebuilt"—"to build again"—and "repaired" as "mended".

These machines are sent to the Grady factory and every movable part is taken off and sold as junk, including the type bars. All bearings are replaced with new, the machine is re-enameled and re-nickled and few of the most expert can detect the difference. Many of the rebuilt machines are equipped with the latest improvements and are guaranteed to do first-class work.

Go over these prices and see whether you can do better. Remington, models 6 and 7, price \$48 to \$60. No. 2 Remington, \$30. Each No. 2 Remington is equipped with two color ribbon permitting you to write in two colors. Smith Premier, No. 1, \$35; No. 2, \$45 to \$60. Oliver No. 3, \$50. Underwood No. 1 and 2, \$55 to \$75. We have the Monarch, Fox, Fox Visible, Denmore, Fay Sholes, New Century, Blickensderfer. The machines range in price from \$20 to \$75, just as good as new with a better guarantee.

Take one on three months trial and if not satisfactory all we ask is a small monthly rental for the use of the machine which will be applied on any other machine you may select.

Bring out the dignity of your business by using a typewriter, it is the modern way. How many letters do you receive from a business house not written on a typewriter? If you receive a letter from your wholesaler strikes you that he is not progressive and unsafe to deal with. That his goods are of an inferior grade and his price may be too high. If he does not use a typewriter; he is not modern and his goods must evidently be out of date.

Whooping Cough.

This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKeig of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it too highly." For sale by City Drug Store.

You will get relief from Pain when Dr. Miles' Anti-Pain Pills are taken. Dr. Miles' Anti-Pain Pills relieve pain. For headache Dr. Miles' Anti-Pain Pills

Rheumatic Pains

"My mother is a great sufferer from rheumatism, and Dr. Miles' Anti-Pain Pills is the only remedy that relieves her."

MRS. G. DAVENPORT, Roycefield, N. J.

The pains of rheumatism are almost invariably relieved with Dr. Miles' Anti-Pain Pills. They also overcome that nervous irritation which prevents sleep because they soothe the nerves. To chronic sufferers they are invaluable. When taken as directed, they relieve the distress and save the weakening influence of pain, which so frequently prostrates. Many sufferers use them whenever occasion requires with the greatest satisfaction, why not you? They do not derange the stomach nor create a habit. Why not try them? Get a package from your druggist. Take it according to directions, and if it does not benefit he will return your money.

By strengthening the nerves which control the action of the liver and bowels Dr. Miles' Nerve and Liver Pills cure constipation. 25 doses 25 cents.
