Thursday, May 27, 1909, George W. Doan, aged 88 years. Interment at Jacksonville cemetery, Friday. Rheumatism More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. Price 25c; large size, 50c.

Real Progress Progress is a word that should be stamped upon life, taken as a whole. The path of noble human living always points forward and upward. The call is to advance, to resist and overcome obstacles, to march on to better things. To rise even. Of our dead selves to the heights whereon the brightness rests that most attracts. What is real progress? Is it not all outward, in the things that help to material advantage and worldly distinctions. It is an inward development, a larger and more accurate comprehension of truth, the disciplining and ennobling of the moral being and the attainment of the fullness of life by right means—by unwearied activities and struggles. This only is manly progress.—Trestle Board. Whooping Cough. This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKeig of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it too highly." For sale by City Drug Store. STEVENS DON'T BUY A GUN until you have seen our New Double Barrel Models fitted with Stevens Compressed Fored Steel Barrels.
