Town Booming Helps

VI.—How Is Your Front?

A frontless man Is an "also ran," But the man with the front, He gets there!
 The author of this poem is unknown.
 He wasn't strong on versification, but he was long on horse sense. He knew that the winners in life are THE ONES THAT PUT UP THE BEST FRONT.
 It's just the same with a town. IT MUST HAVE A FRONT. Everybody living in it or doing business in it should boost at all times and in every place.
 One of the best ways to boost is to boom your own business by EVERY KIND OF ADVERTISING

THAT IS PROFITABLE. Other people will realize that you are living in a live town and move in. We are doing what we can to put up a front for our town. Lend a hand, or, better still, let us help you do it.
 The right kind of stationery will help your business front and the front of the town.
 DON'T BE AN "ALSO RAN" in your business. Don't let your town be classed "among those mentioned." When a new business or the opening of a new factory is under discussion get up to the front. Arranging and repairing business fronts is our specialty.
 HOW IS YOUR FRONT!
