A GOOD POSITION—Can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance for advancement. The National Telegraph Institute of Portland, Ore., operates six official institutes in America, under supervision of R.R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details.

THE TOWN THAT PUSH BUILT
IX.—The Foxy Shoe Dealer

THIS is the shoe man who found in his hand the bill that went round 'mong all the people who advertised. He hired a man whose work he prized and paid him with the jeweler's bill. From the hardware merchant's till, Where it went when the clothing dealer bought. From the furniture man, which the clothier got. When to him the dry goods merchant went. With the bill the butcher wisely spent. When his friend the grocer had settlement made. With cash the honest workman paid.
MORAL.
 The little story we've told is meant To show you clearly that money spent At home will help us all and then Return to the owner to spend again— That is, if dealers are also wise And do not fail to advertise.

Diarrhoea

A \$100 Typewriter for 17 cents a Day!
 Please read the heading over again. Then its tremendous significance will dawn upon you.
 An Oliver Typewriter—the standard visible writer—the \$100 machine—the most highly perfected typewriter on the market—yours for 17 cents a day!
 The typewriter whose conquest of the commercial world is a matter of business history—yours for 17 cents a day!
 The typewriter that is equipped with scores of such conveniences as "The Balance Shift"—"The Ruling Device"—"The Double Release"—"The Lock-motive Base"—"The Automatic Spacer"—"The Automatic Tabulator"—"The Disappearing Indicator"—"The Adjustable Paper Fingers"—"The Scientific Condensed Keyboard"—
 Yours for 17 Cents A Day
 We announced the new sales plan recently, just to feel the pulse of the people. Simply a small cash payment then 17 cents a day. That is the plan in a nutshell.
 The result has been such a deluge of applications for machines that we are simply astounded.
 The demand comes from people of all classes, all ages, all occupations.
 The majority of inquiries has come from people of known financial standing who were attracted by the novelty of the proposition. An impressive demonstration of the immense popularity of the Oliver Typewriter.
 A startling confirmation of our belief that the Era of Universal Typewriting is at hand.
A Quarter of a Million People are Making Money with The OLIVER Typewriter
 The Standard Visible Writer
 The Oliver Typewriter is a money-maker, right from the word "go!" So easy to run that the beginners soon go in the "expert" class. Earn as you learn. Let the machine pay the 17 cents a day—and all above that is yours.
 Wherever you are, there's work to be done and money to be made by using the Oliver. The business world is calling for Oliver operators. There are not enough to supply the demand. Their salaries are considerably above those of many classes of workers.
'An Oliver Typewriter in Every Home'
 That is our battle cry today. We have made the Oliver supreme in usefulness and absolutely indispensable in business. Now comes the conquest of the home.
 The simplicity and strength of the Oliver fit it for family use. It is becoming an important factor in the home training of young people. An educator as well as a money maker.
 Our new selling plan puts the Oliver on the threshold of every home in America. Will you close the door of your home or office on this remarkable opportunity?
 Write for further details of our easy offer and a free copy of the new Oliver catalog. Address
The Oliver Typewriter Company
