OFFICIAL PAPER OF THE CITY OF JACKSONVILLE, OREGON

A weekly newspaper, published every Saturday at the county seat of Jackson Co., Ore.
D. W. Bagshaw, Editor.

Entered as second-class matter June 22, 1907, at the post office at Jacksonville, Oregon, under Act of Congress of March 3, 1879.

SATURDAY, SEPTEMBER 25, 1909.

SUBSCRIPTION
One year, by mail, \$1.50.
Advertising rates furnished on application

All over Oregon many hundreds of families are settling every month. New railroads building and projected are attracting settlers and opening up the wilderness. Oregon communities wise enough to not permit the vacant lot speculator to block their development will receive the growth that is theirs by right of natural advantages around them. The communities ruled by mossbacks and dogs-in-the-manger will remain stationary, or nearly so.

We are in receipt of a copy of the list of premiums for the First Southern Oregon, District Agricultural Society's fair, to be held at Ashland, Oct. 6-9 and find it well worth a careful perusal. The premiums offered are for stock or articles raised or owned in Jackson or Josephine counties only.

Not having received a proper invitation to visit Jacksonville, President Taft will not stop on his trip through the valley, but persons who are anxious for a glimpse of the "big man" should be at Medford on the morning of October 4th.

The Gold Hill News comes out Saturday with a new man as editor, Mr. Harry F. Murray, a recent arrival in the valley and who has taken charge of the paper for the present. The Post wishes him success in his undertaking.

While Cook and Peary are wrangling about the discovery of the pole and the honors attendant thereto, the way is open for Wellman to make a flying trip to the north and carry off the pole by right of conquest.

With good prices for fruit, hogs at \$9.25 per hundred and hops 25 cents per pound, Oregon farmers may well be classed as "prosperous".

The Road to Success

has many obstructions, but none so desperate as poor health. Success today demands health, but Electric Bitters is the greatest health builder the world has ever known. It compels perfect action of stomach, liver, kidneys, bowels, purifies and enriches the blood, and tones and invigorates the whole system. Vigorous body and keen brain follow their use. You can't afford to slight Electric Bitters if weak, run-down or sickly. Only 50c. Guaranteed by J. W. Robinson.

Go to Abbotts Hardware for fruit cans.

Hoppity Hop.

Are you just barely getting around by the aid of crutches or a cane? Unless you have lost a limb or have a deformity—if your trouble is rheumatism, lumbago, sprain, stiff joints, or anything of like nature use Ballard's Snow Liniment and in no time you can throw away your crutches and be as well as anyone.
Price 25c, 50c and \$1.00 sold by J. W. Robinson.
