AMERICAN ACHIEVEMENTS

Noteworthy events in which Americans lead

Americans founded the first government under which all men were equal before the law. Since the Declaration of Independence was published, the world's democratic idea has hourly received new impulse, until now its march seems irresistible.

Americans were the first to demonstrate the feasibility of relying on a citizen soldiery to defend the land and its institutions against foreign or domestic attack.

Americans were the first to abolish titular distinctions and to deprive social eminence of any support save character or the consensus of those who choose to consider themselves as socially elect.

It was an American who invented the steamship.

An American invented the telegraph. An American invented the telephone. An American invented the electric light.

An American invented the reaper which makes it possible to feed the billion and more people on this planet.

It was an American, too, who invented the sewing machine.

Americans also were the conquerors of pain when they discovered how, by means of sulphuric ether, the tenderest human nerves could be made insensible to the surgeon's steel.

Americans opened the ports of Japan to the nations of the world, made a path into darkest Africa, and now two Americans crown the geographical achievements of their countrymen by discovering the North Pole.—Ex.

Rev. Ennis left a sample of grapes at this office Friday, which for size of berry and delicate flavor excel any that we have yet seen. The grapes were grown on the hillside about half a mile northwest of town and prove beyond a doubt that Oregon hills and Oregon climate are specially adapted to growing fine grapes.

Never Worry

about a cough—there's no need of worry if you will treat it at its first appearance with Ballard's Horehound Syrup. It will stop the cough at once and put your lungs and throat back into perfectly healthy condition. Sold by City Drug Store.

NOTICE

Diarrhoea

When you want a quick cure without any loss of time, and one that is followed by no bad results, use

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

It never fails and is pleasant and safe to take. It is equally valuable for children. It is famous for its cures over a large part of the civilized world.
