

PORTLAND LETTER

Hill will Confine His Railroad Building to Oregon Apple Show at Spokane Nov. 15-20--Oregon's Senators Pledged Their Aid to Improvements at Columbia River, Celilo Canal and Coos Bay.

Portland, Oct. 22, (Special)—James J. Hill will not extend the Oregon Trunk beyond the Oregon line but will confine his operations in connection with that project to developing this state. Stories to the effect that the ultimate destination of the Oregon Trunk is San Francisco were denied by Mr. Hill this week, who said: "All the building the line will do will be done in Oregon. There is plenty of room for new feeders in the state and the mileage which we intend to add to our system will be confined to Oregon. We have no intention of entering California."

Oregon apple growers are assembling exhibits for the National Apple Show at Spokane November 15-20. The state will participate to a greater extent than ever before and some magnificent displays will be sent. Hood River, the Rogue River Valley and the Willamette Valley apple-growing districts will make strong bids for many of the prizes. Carload lots will be sent by some exhibitors and in all departments Oregon's showing will be a strong one. Entries close November 13.

A movement has been started to erect at Salem a suitable monument to the memory of Samuel L. Simpson, the well-known Oregon poet, who wrote "Beautiful Willamette." Mr. Simpson was an alumnus of Willamette University and it was thought fitting that the movement to procure the memorial to the poet should have its start at the university, and that the monument should stand near it. An association for the purpose has been formed among the alumni of the university. It is intended to interest the entire Northwest in the movement.

What is regarded as the most important conference ever held between the Congressional delegation of this state and the commercial interests of Portland took place this week when the needs of the state were discussed for two hours and suggestions made as to needed improvements that require government aid.

Senators Bourne and Chamberlain met with fifteen prominent business men and when the conference ended, the senators had pledged their aid to secure as big appropriations as possible for this state. Among the big projects for which aid was enlisted were the improvement of the Columbia River from Portland to the sea; the free canal and locks at Oregon City; the Celilo Canal and the improvement of Coos Bay.

These improvements are expected to cost about as follows: Columbia River improvement, \$15,000,000; \$3,700,000 for the completion of the Celilo Canal; \$2,700,000 for the improvement of Coos Bay, and \$456,000 for the free canal and locks at Oregon City. Out of the money needed for the latter project, the state has already authorized an appropriation of \$300,000, leaving only \$156,000 to be furnished by the government.

Portland may take in neighboring suburbs before the census of next year is taken. The matter was discussed by the Realty Board at the Commercial Club this week and was generally favored. This addition to the city would include only those districts lying so near that it is impossible to tell when passing from the city proper to the suburbs. An expression will be asked from the various districts as to their opinion on the annexation question.

More Than Enough Is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading. "For a long time I suffered from indigestion, torpid liver, constipation, nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50 cents at City Drug Store.
