UNIFORM CONTRACTS

The state railroad commission will in a few days make its order on uniform livestock contracts for the use of all railroads in the state of Oregon. Under the new form of contract prescribed by the railroad commission the objectionable features have been eliminated that have heretofore been in the old contracts used by the railroads of the state and which were the source of complaints from live stock shippers. Oregon is the first state in the union to take up this matter and the only state that has as yet put the uniform contract in force. Other states have this form of contract under way and will install it at an early date. A statement given out by a prominent railroad man is to the effect that every state in the union will adopt this livestock contract system which will be of great advantage to the carrier and shipper alike.—Ex.

More Than Enough Is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by City Drug Store.
