A weekly newspaper published every Saturday at the county seat of Jackson
County, Oregon. D. W. BAGSHAW, Editor.

Oregon, under Act of Congress of March 3, 1879.

THE NEW YEAR.

With the present number The Post enters upon the
New Year.

From time immemorial it has been the custom to
wish friends and acquaintances a "Happy New Year."

Dear reader, did you ever stop to consider what is
implied in the term and did you in your mind, enumerate
the things necessary to make it a "Happy New Year?"

Webster defines "happy" as favored by hap, luck, or
fortune; fortunate; delighted; satisfied; prosperous; etc.

To the first definitions most of our readers can say
amen, in that they are alive, and favored by hap, luck, or
fortune, in being residents of one of the best countries on
earth, but in order to attain the conditions of the latter
definitions much remains to be done, which can only be
accomplished by individual and concerted effort.

One thing of prime importance to every resident of
our little city is the installation of an up-to-date water
system, this will make possible a system of sewerage, to-
gether they will add much to the convenience and com-
fort of our citizens, as well as afford fire protection and
better sanitation, another result will be to attract the bet-
ter class of home builders to establish homes in our midst.

There are several things on the horizon or just be-
low, which if afforded proper encouragement will add
greatly to the prosperity of our people. Among these we
might mention an interurban railroad connecting the
towns in the valley, a railroad to the Applegate valley
and eventually to the coast, several factories, etc. What
are you going to do in order to make this a Happy New
Year?

President Taft has at last awakened to the fact that
a thorough investigation of the Pinchot-Ballinger con-
troversy is necessary. The public have been clamoring
for it right along, Forester Pinchot has demanded it and
now that Secretary Ballinger avers his desire for either a
vindication or a release from his official position, there
seems no excuse for further delay in the matter. We
doubt very much whether the results will justify the ex-
pense, or prove satisfactory to either side, but the affair
has reached the point where the people demand more
light and they should have it.

If things have been stormy and cloudy at the office,
don't let your actions around home be the barometer of
that fact. Your wife has no doubt weathered a few
squalls herself during the day.

A Georgia man, recently applying for a divorce
makes the novel plea that his wife hypnotizes him. He
was doubtless a willing subject before his marriage.

A PIONEER DEAD.

Judge Day Dies at Home in This Place.

Silas J. Day, an aged and respected
citizen of this place, departed from this
life at his late residence, Thursday even-
ing at 9 o'clock, aged 84 years.

Judge Day was one of the early set-
tlers of Jackson county, having come
here from California in the early fifties.
He was an honorable, upright man
whom it was a pleasure to know and to
know was to respect. Although long
past the allotted age of man he re-
tained his faculties and youthful ener-
gy in a remarkable degree up to with-
in a short time of his decease.

Funeral will be held Sunday after-
noon under the auspices of the
I. O. O. F. of which order the deceased
was a Past Grand Master.

Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.

"On October 18th, last, my little
three year old daughter contracted a
severe cold which resulted in a bad case
of bronchitis," says Mrs. W. G. Gibson,
Lexington, Ky. "She lost the power
of speech completely and was a very
sick child. Fortunately we had a bot-
tle of Chamberlain's Cough Remedy in
the house and gave it according to the
printed directions. On the second day
she was a great deal better, and on the
fifth day, October 23rd, she was entire-
ly well of her cold and bronchitis, which
I attribute to this splendid medicine.
I recommend Chamberlain's Cough
Remedy unreservedly as I have found
it the surest, safest and quickest cure
for colds, both for children and adults,
of any I have ever used." For sale by
City Drug store.

Card of Thanks.

We desire to thank our neighbors
and the people of Jacksonville for the
kindness and comfort extended to us
during the illness and death of our dar-
ling babe.

A Handsome Woman

Every woman may not be hand-
some, but every woman should
keep with care the good points
nature has given her. No woman
need have sallow skin, dull eye,
blotchy complexion, who pays
proper attention to her health.
Where constipation, liver derange-
ments, blood impurities and other
irregularities exist, good complex-
ion, bright eyes and sprightly
movements cannot exist. Internal
derangements reveal themselves sooner
or later on the surface. Headache, dark
rings around the eyes, sallow skin, a con-
stant tired feeling—mean that the liver
and digestive organs are needing help and
correction. Chamberlain's Stomach and
Liver Tablets give this necessary help.
They work in nature's own way. They do not
merely flush the bowels but tone up the liver and
stomach to fulfill their proper functions. So mild
and gentle do they act that even hardly consti-
pated they have a laxative effect. Chamberlain's
Tablets can be relied upon to relieve biliousness,
indigestion, constipation and distress. Sold ev-
erywhere. Price 25 cents.
