**THE NEW YEAR.**

With the present number The Post enters upon the  
New Year.

From time immemorial it has been the custom to  
wish friends and acquaintances a "Happy New Year."

Dear reader, did you ever stop to consider what is  
implied in the term and did you in your mind, enumerate  
the things necessary to make it a "Happy New Year?"

Webster defines "happy" as favored by hap, luck, or  
fortune; fortunate; delighted; satisfied; prosperous; etc.

To the first definitions most of our readers can say  
amen, in that they are alive, and favored by hap, luck, or  
fortune, in being residents of one of the best countries on  
earth, but in order to attain the conditions of the latter  
definitions much remains to be done, which can only be  
accomplished by individual and concerted effort.

One thing of prime importance to every resident of  
our little city is the installation of an up-to-date water  
system, this will make possible a system of sewerage, to-  
gether they will add much to the convenience and com-  
fort of our citizens, as well as afford fire protection and  
better sanitation, another result will be to attract the bet-  
ter class of home builders to establish homes in our midst.

There are several things on the horizon or just be-  
low, which if afforded proper encouragement will add  
greatly to the prosperity of our people. Among these we  
might mention an interurban railroad connecting the  
towns in the valley, a railroad to the Applegate valley  
and eventually to the coast, several factories, etc. What  
are you going to do in order to make this a Happy New  
Year?

President Taft has at last awakened to the fact that  
a thorough investigation of the Pinchot-Ballinger con-  
troversy is necessary. The public have been clamoring  
for it right along, Forester Pinchot has demanded it and  
now that Secretary Ballinger avers his desire for either a  
vindication or a release from his official position, there  
seems no excuse for further delay in the matter. We  
doubt very much whether the results will justify the ex-  
pense, or prove satisfactory to either side, but the affair  
has reached the point where the people demand more  
light and they should have it.

If things have been stormy and cloudy at the office,  
don't let your actions around home be the barometer of  
that fact. Your wife has no doubt weathered a few  
squalls herself during the day.

A Georgia man, recently applying for a divorce  
makes the novel plea that his wife hypnotizes him. He  
was doubtless a willing subject before his marriage.

**A PIONEER DEAD.**  
Judge Day Dies at Home  
in This Place.

Silas J. Day, an aged and respected  
citizen of this place, departed from this  
life at his late residence, Thursday eve-  
ning at 9 o'clock, aged 84 years.

Judge Day was one of the early set-  
tlers of Jackson county, having come  
here from California in the early fifties.  
He was an honorable, upright man  
whom it was a pleasure to know and to  
know was to respect. Although long  
past the allotted age of man he re-  
tained his faculties and youthful en-  
ergy in a remarkable degree up to with-  
in a short time of his decease.  
Funeral will be held Sunday after-  
noon under the auspices of the  
I. O. O. F. of which order the deceased  
was a Past Grand Master.

**Cured of a Severe Attack of Bronchitis  
by Chamberlain's Cough Remedy.**

"On October 18th, last, my little  
three year old daughter contracted a  
severe cold which resulted in a bad case  
of bronchitis," says Mrs. W. G. Gibson,  
Lexington, Ky. "She lost the power  
of speech completely and was a very  
sick child. Fortunately we had a bot-  
tle of Chamberlain's Cough Remedy in  
the house and gave it according to the  
printed directions. On the second day  
she was a great deal better, and on the  
fifth day, October 23rd, she was entire-  
ly well of her cold and bronchitis, which  
I attribute to this splendid medicine.  
I recommend Chamberlain's Cough  
Remedy unreservedly as I have found  
it the surest, safest and quickest cure  
for colds, both for children and adults,  
of any I have ever used." For sale by  
City Drug store.

**Card of Thanks.**

We desire to thank our neighbors  
and the people of Jacksonville for the  
kindness and comfort extended to us  
during the illness and death of our dar-  
ling babe.

**A Handsome Woman**

Every woman may not be hand-  
some, but every woman should  
keep with care the good points  
nature has given her. No woman  
need have sallow skin, dull eye,  
blotchy complexion, who pays  
proper attention to her health.  
Where constipation, liver derange-  
ments, blood impurities and other  
irregularities exist, good complexion,  
bright eyes and sprightly  
movements cannot exist. Internal  
derangements reveal themselves sooner  
or later on the surface. Headache, dark  
rings around the eyes, sallow skin, a con-  
stant tired feeling—mean that the liver  
and digestive organs are needing help and  
correction. Chamberlain's Stomach and  
Liver Tablets give this necessary help.  
They work in nature's own way. They do not  
merely flush the bowels but tone up the liver and  
stomach to fulfil their proper functions. So mild  
and gentle, do they act that even hardly real-  
ized that they have taken medicine. Chamberlain's  
Tablets can be relied upon to relieve biliousness,  
indigestion, constipation and diarrhoea. Sold ev-  
erywhere. Price 25 cents.
