The city council have decided in favor of a gravity system of water works, provided that certain easements in regard to prior rights can be secured. It is believed that by constructing storage reservoirs an ample supply of water can be obtained from the creeks and there is no question as to the superiority and advantages of such a system over the pumping plant first proposed.

Fever Sores.

Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by City Drug Store.

George Meredith.

It was not until George Meredith was an old man that he began to reap any reward from his books. He was at least sixty years old, if not more, before he was able to leave the offices of Chapman & Hall, the publishers, where he acted as reader. A friend of his speaks of this as one of the tragedies of misdirected work and recalls the fact that only 2 per cent of all manuscripts submitted to the average publishing house are fit for publication.

In addition to his other troubles, Meredith's legs were paralyzed, but in spite of all he was optimistic. "Some men go first in their heads," he said, "but I go first in my legs."-Exchange.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, salivary string, constipated bowels, means that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help.

They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
