A Common Cold.

We claim that if catching cold could be avoided, some of the most dangerous and fatal diseases would never be heard of. A cold often forms a culture bed for germs of infectious diseases. Consumption, pneumonia diptheria and scarlet fever, four of the most dangerous and fatal diseases, are of this class. The culture bed formed by the cold favors the development of the germs of these diseases, that would not find lodgment. There is little danger, however, of any of these diseases being contracted when a good expectorant cough medicine like Chamberlain's Cough Remedy is used. It cleans out these culture beds that favor the developement of the germs of these diseases. That is why this remedy has proved so universally successful in pneumonia. It not only cures your cold quickly, but minimizes the risk of contracting these dangerous diseases. For sale by City Drug Store.

Income Tax.

Congress has amended the Constitution of the United States, so as to provide for an income tax, and it is now up to the States to ratify that amendment, which becomes a part of our Constitution as soon as it shall have been ratified by three-fourths of the States. The corporations and capitalists of the country are doing their utmost to influence the legislatures of the various states against this amendment.

However, it is believed that the amendment will be ratified by practically all of the states.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling---mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
