

PORTLAND LETTER

Portland Will Hold Big Industrial Exposition Next Fall--2000 Delegates Will Attend Y.P.C.E. Convention.

Portland, Or., Feb. 10 (Special)—A big industrial fair, representative of all Oregon, is being planned for Portland this fall. As yet plans are tentative but it is practically certain that the exposition will be held and that it will be a big success as assured from the interests that are behind the movement.

It is expected to hold the fair during the first ten days of September. Manufacturers of the state will be given a prominent place in the display and the co-operation of the Portland Manufacturers' Association, a strong organization that has done a great deal to build up manufacturing of all kinds, is probable. The varied product and resources of Oregon will be shown and it is believed the exposition will demonstrate the progress Oregon is making in a striking way.

Planning to increase falling lobster supply, the United States Fisheries Department will transplant a carload in the waters of Yaquina Bay. Whether the lobsters will thrive there is not yet known but is thought conditions

are right for them. Lobsters demand a rocky bottom, without silt deposited by nearby rivers, which is the case at Yaquina. This is the reason assigned for the failure of experiments made heretofore in trying to grow eastern lobsters in Pacific waters. Senator Bourne has been agitating the matter and has secured the promise of Fish Commissioner Bowers to make the experiment at Yaquina.

Special round-trip excursion rates have been made from the East to Portland by the railroads for the annual Rose Festival in June and the national convention of the ancient Order of Hibernians in July. Both of these events will attract large numbers of people and the rates are to be as attractive as those made last year for the Alaska-Yukon-Pacific exposition. These fares should be the means of giving thousands of tourists their first view of Oregon during the coming summer.

It is expected that over 2000 delegates will attend the annual state convention of the Young Peoples' Christian Endeavor Society in Portland February 15-17; which is likely to be the biggest assembly of the organization ever held in Oregon. The session will be held at the Presbyterian church, Twelfth and Alder streets. While in the city the Endeavorers will be entertained by a reception and banquet by the Y. M. C. A.

Oregon roses are to have a wider fame than ever very soon for the beautiful blooms that have made a reputation for Portland as a rose center are to be copied by Paul de Longpre,

the celebrated painter of roses. The well known artist planned to come here on February 22 at the time of the annual rose planting but was unable to carry out his intention and will come during the Rose Festival in June. He will paint some of the famous flowers he will see here.

THREE GOOD BANKS.

Are in Fine Condition. One of Them in Business More Than Fifty Years.

We desire to call attention to the statements of three banks; Beekman's Banking House, Jacksonville Office and Farmers' and Fruitgrowers' Bank, published in this issue of The Post. The first two are located in this city, and have been established for some time, Mr. Beekman having established his banking business in 1856. This is one of the oldest banking institutions in the state. Mr. Beekman occupies a unique position in commercial circles, being president, vice-president, cashier, director and sole stockholder and owner of his bank; the only instance of the kind in Oregon.

The Farmers' and Fruitgrowers' Bank is located at Medford and has been in operation about two months. The statements published show that all three are in a healthy flourishing condition are carefully managed and entitled to the confidence and patronage of the public.

When Editor J. P. Sossman, of Cornelius, N. C., bruised his leg badly, it started an ugly sore. Many salves and ointments proved worthless. Then Bucklen's Arnica Salve healed it thoroughly. Chamberlain's Cough Remedy the Most Popular Because it is the Best

"I have sold Chamberlain's Cough Remedy for the past eight years and find it to be one of the best selling medicines on the markets. For babies and young children there is nothing better in the line of cough syrups," says Paul Allen, Plain Dealing, La. This remedy not only cures the coughs, colds and croup so common among young children, but is pleasant and safe for them to take. For sale by City Drug Store.

The new Oliver Typewriter, latest improved can be seen at this office. We have secured the agency for Jacksonville and surrounding country and would be pleased to receive your order. Jacksonville Post

For many years science has studied liquors result, the whole world uses whiskey where a stimulant is wanted; in bad cases of sickness it does not injure nerves and tissues like cocoa wines and other drugged compounds. The HARPER brand is the best on the market. Sold by E. H. HELMS.

CRYING FOR HELP.

Lots of it in Jacksonville But Daily Growing Less.

The kidneys cry for help. Not an organ in the whole body so delicately constructed.

Not one so important to health. The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous.

There can be no health where there is poisoned blood.

Back ache is one of the first indications of kidney trouble.

It is the kidney's cry for help. Heed it.

Doan's Kidney Pills are what is wanted.

Are just what overworked kidneys need.

They strengthen and invigorate the kidneys; help them to do their work; never fail to cure any case of kidney disease.

Read the proof from a Jacksonville citizen: A. D. Houston, Merchant, formerly living in the North part of Jacksonville, Ore., says: "About a year ago I suffered severely from backache and kidney disease. The actions of the kidney secretions was very irregular and I was otherwise run down. I procured Doan's Kidney Pills at the City Drug Store and since using this remedy I have not had the slightest symptom of kidney trouble and have felt better in every way. I am glad to endorse a remedy of such great merit as Doan's Kidney Pills."

Plenty more proof like this from Jacksonville people. Call at The City drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's—and take no other.
