THE JACKSONVILLE POST

Official Paper of the City of Jacksonville, Oregon

A weekly newspaper published every Saturday at the county seat of Jackson County, Oregon. D. W. BAGSHAW, Editor.

Entered as second-class matter June 22, 1907, at the post office at Jacksonville, Oregon, under Act of Congress of March 3, 1879.

SATURDAY, FEBRUARY 26, 1910

SUBSCRIPTION: One year by mail \$1.50. Advertising rates furnished on application.

The municipal election will be held at the City Hall Tuesday. As to the mayor and councilmen, there is but one set of candidates in the field—those nominated by the mass meeting of voters recently held, the people being satisfied with the work of the present board will retain them for another year.

The nominee for treasurer, Mr. Cronmiller, has no opposition and will be elected.

For recorder there is Benj. M. Collins and Henry G. Dox; for marshal, John Huffer and M. D. Jones; for street commissioner, James Young and B. E. Haney. All are good men and well able to fill the positions to which they aspire—pick your man and vote for him, at present it is hard to say who will be the lucky ones.

Charity begins at home. Then why not start a popular subscription to build a good, paved road between this city and Medford? The cost of such a road would be returned many times in the increased value of property here and along the road, to say nothing of the time saved, the wear and tear of vehicles, etc.. Talk it up, then get busy and build it. It can be done. Half of the amount of money needed can be raised by popular subscriptions and the county will put up an equal amount.

Reason Enthroned.

Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Revise your diet, let reason and not a pampered appetite control, then take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be well again. Try it. Familiar Nomenclature

Do you know that the bayonet was so called because it was first made at Bayonne, France? That coffee received its name from the reason that it first came to Europe from Kaffa? That candy was first exported from Candit? That tobacco was so called from the island of Tobacco, the home of Daniel Defoe's imaginary hero, Robinson Cruso? That the tarantula was a notorious pest in the vicinity of Toranto? That cambric was made at Cambray? That muslin was made at Mouseline? That calico was at Calicut? That dimity was made at Damietta? That milliners first plied their trade at Milan? That the magnetic property of iron ore was first noticed in that dug in the neighborhood of Magnesia? Ask your friends and see how many of them know these facts.

No need to tack up poorly scrawled posters, when you can have them printed in the highest style of the art, and at reasonable prices at this office.

Worn Out

That's the way you feel about the lungs when you have a hacking cough. It's foolishness to let it go on and trust to luck to get over it, when Ballard's Horehound Syrup will stop the cough and heal the lungs. Price 25c 50c and \$1.00 per bottle At City Drug Store.

Cape Spartel Lighthouse. On the coast of Morocco mariners used to experience great difficulty in avoiding disaster on account of the absence of warning night signals on the shore. Lighthouses were sadly needed, and as the government of Morocco would not provide them the great powers took the matter in hand for the welfare of their shipping interests. A lighthouse was established at Cape Spartel, and the powers are assessed so much annually for maintenance. The share of the United States in this expense is \$325.—Boston Globe.

Arrested

A cough that has been hanging on for over two months by taking Ballard's Horehound syrup. If you have a cough, don't wait—stop it at once with this wonderful remedy. Splendid for coughs, cold on chest, influenza, bronchitis and pulmonary troubles. Price 25c 50c and \$1.00 per bottle. At City Drug Store.

Seventeenth Century Sheep.

"The best and biggest sheep," says Fuller in his famous "Worthies of England," published in the year 1662, "are those of the vale of Aylesbury, in Buckinghamshire, where it is nothing to give £10 or more for a breed ram. So that should a foreigner hear of the price thereof he would guess that ram rather to be some Norman engine of battery than the creature commonly so called. Foreigners," he adds, "much admire our English sheep because they do not, as those beyond the seas, follow their shepherds like a pack of dogs, but wander wide abroad."

Croup

Causes uneasy nights but if you will use Dr. Bell's Pine-Tar-Honey it will relieve in a few minutes. There is nothing better. Guaranteed by all dealers. For sale by City Drug Store.
