JACKSONVILLE POST

Official Paper of the City of Jacksonville, Oregon

A weekly newspaper published every Saturday at the county seat of Jackson County, Oregon. D. W. BAGSHAW, Editor.

Entered as second-class matter June 22, 1907, at the post office at Jacksonville, Oregon, under Act of Congress of March 3, 1879.

SATURDAY, MAY 7, 1910

SUBSCRIPTION: One year by mail \$1.50. Advertising rates furnished on application.

With the present number, The Post enters upon the fourth year of its existence, having encountered most of the difficulties incident to the establishment of a paper in a country town. The publisher desires to thank the people of this city and vicinity for patronage received during the past year, and hopes to merit a continuation thereof.

As we stated a year ago, we came here to stay, consequently our interest in promoting the welfare of the city and community are identical with your own. We shall always endeavor to advance and advocate those measures and policies which in our judgment are best for the welfare of all. We are not asking alms but we do need your support and patronage, for every dollar paid us for advertising, job work, or subscriptions, you will receive full value, 100 cents, besides helping to make The Post, a journal worthy of your city, and, Jacksonville the best town in Jackson County.

Yours for progress
D. W. Bagshaw.

A Live One.

With the resolve to not be caught in the same trap as was the old town when the Oregon & California railroad left the pioneer town of Southern Oregon off the map, and incidentally created Medford and a good part of Ashland, the live ones in Jacksonville are not only bending all their energies toward the securing of a right of way for the trolley line proposed by J. R. Allen, but are going farther and will reach out in an effort to secure rights for the building of a road from Jacksonville to the Blue Ledge mine. The old town is waking up. No more will somnolence and the spirit of retrogression prevail. From now on the spirit of progress will prevail, and the citizens of Jacksonville will unite in giving the lie to the man who said that Jacksonville was a "finished" town. —Mail-Tribune.

Thanks, Bro. Putman, we will prove that you are a true prophet, in this instance at any rate (Ed.)

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
