JACKSONVILLE, JACKSON COUNTY, OREGON, MAY 14, 1910

NO. 2

PORTLAND LETTER.

James J. Hill will aid Oregon in its development

Portland, Ore., May 12 (Special).—The visit of James J. Hill and party to Portland during the past week has been of great significance. Accompanied by railroad officials, Louis W. Hill has left Portland to make a tour of the state. He will cross Central Oregon and see for himself what the tonnage possibilities of that great region are. After this trip, it is expected that a definite announcement will be made as to the expected east and west lines across the state.

While in Portland, Mr. Hill talked freely and his statements mean much for Oregon. He confirmed his purchase of the Oregon Electric and United Railways, interurban systems running out of Portland, and says he will extend them down the Willamette Valley. He also confirmed his purchase of the Pacific & Eastern but said it was yet too early to talk of a connecting road clear across the state. The Deschutes road will of course go ahead as fast as possible, he said, and besides all this railroad activity in this state, Mr. Hill proposes to do a great deal in securing publicity for Oregon throughout the East and Middle West.

The sale of the holdings of the Northwestern Corporation properties throughout Oregon, Washington and Idaho to H. M. Byllesby & Co., large Eastern investors, announced recently, was confirmed during the past week when the final options were closed in Philadelphia. This means the coming of a great amount of new capital to the Pacific Northwest where it will be used developing water powers and gas and electric plants.

Beginning May 16th, there will be a series of good roads meetings throughout the state that will continue until June 10. Mr. Maurice W. Eldridge, one of the best known authorities on good roads and a government expert, will be sent out from Washington to deliver lectures. He will start at Ontario and will hold meetings in the principal cities along the O. R. & N. as far west as Portland, when he will visit the Willamette Valley and Southern Oregon, holding the final meeting at Ashland. The lectures are to be given under the auspices of the State Good Roads Association and a decided impetus to the work of the organization will probably result.

That Oregon irrigation projects will be pushed to completion is the message of encouragement given by Arthur P.

Davis, engineer of the United States Reclamation Service, who was in Portland during the week. He is on a tour of inspection of projected irrigation works throughout the West. Mr. Davis says he has every reason to believe the \$50,000,000 bond issue for reclamation will be approved. This will be distributed among 20 projects and will mean \$1,500,000 for each of the Oregon projects, including Umatilla, Malheur and Klamath Lake.

ANOTHER PIONEER GONE.

Funeral of R. J. Cameron last Sunday—had resided on farm 45 years.

The funeral of Robert J. Cameron, who died at his home on the Applegate Friday morning, was held in this city, Sunday afternoon. Mr. Cameron was an old and respected resident of the Applegate region having crossed the plains with his bride in 1865, residing on his farm ever since.

He was a native of Madison county, New York, having been born June 27, 1831, and at the time of his death was aged almost 79 years.

He leaves a widow, and six living children: Frank Cameron, Mrs. L. L. Jacobs, Mrs. W. D. Hanley, Mrs. Cater, Miss Berenice Cameron, and Dr. W. L. Cameron. The deceased was a brother of Zach Cameron of Uniontown, and of ex-Senator Theo. Cameron of this city, and of Mrs. Ellen Wells of Ashland.

The funeral was conducted by the Masonic lodge of this city, the beautiful and impressive ceremonies being performed in a touching manner, after which interment was made in Jacksonville's beautiful "City of the Dead."

Poison Oak Poisoning.

Ballard's Snow Liniment cures it. Mr. O. H. P. Cornelius, Turner, Ore. writes—my wife has discovered that Snow Liniment cures "Poison Oak Poisoning", a very painful trouble. She not only cured a case of it on herself, but on two of her friends who were poisoned by this same ivy. Price 25c, 50c and \$1.00. Sold by City Drug Store.

THE COMMERCIAL CLUB

Holds Meeting Thursday--By-Laws Adopted--Will Give Entertainment May 19th.

The Commercial Club held a meeting in the city hall Thursday evening for the purpose of adopting by-laws, etc.

The committee appointed at the previous meeting reported a draft of a set of by-laws which after the slight alteration of two sections were adopted. Some discussion was had in regard to the membership fee; the fee for membership was fixed at \$1.00, with monthly dues at fifty cents, payable in advance.

The question of celebrating the Fourth of July was discussed at length; it was the opinion of most members that the club should not as a body, conduct, or be responsible for the celebration, but that the matter should be in charge of a committee of citizens.

The election of officers held at previous meeting was ratified and the officers then elected were declared the officers for the ensuing term.

The following named persons were chosen as directors; J. Percy Wells, W. R. Coleman, E. C. Hogsett, M. M. Taylor, and D. W. Bagshaw. These, with the president, and vice-president, will constitute the Board of Directors for the ensuing term.

On motion it was decided to hold a public meeting next Thursday evening, and Mess. L. Ulrich, W. R. Coleman, and J. Percy Wells were appointed as committee to provide a program and other entertainment.

RIGHT OF WAY

To Joe Bar is assured--Committee makes second trip.

The right-of-way committee appointed by the commercial club to secure right of way for the proposed railroad to Joe Bar made a second trip over the route Saturday signing up those missed on the former occasion, closing up practically every gap from the top of Jacksonville hill to Seattle Bar, beyond which point the title to the lands is in the names of Robert J. Towne, and the U. S., excepting a small mining claim or two, the owners of whom will be waited upon by Mr. Frank Edwards of Hutton, who is a member of the committee and who has rendered efficient assistance in several instances.

The following named persons have executed instruments conveying right of way;

Fredricka Heeley,
Sarah A. Cantrall,
Wm. Ira Coffman & wife,
William Loudon,
Mary Bauten & H. A. Bauten,
C. M. Ruch,
Luke Ryan & Elizabeth St. C. Ryan,
Issie McCully & Geo. H. Merritt,
A. D. McKee & wife,
Charles Schafer & wife,
Zach Cameron & wife,
Maggie Buckley,
Martha Watkins,
H. B. Stephenson & wife,
Robert Ray & Matthew Ray,
John Devin & wife,
Prior Eaton,
Amos McKee & wife,
William Cameron,
Sophie Collings,
Newbury & Cantrall, (contract)
Gold Ray Realty Co.,
Peter Ensel & wife,
A. Gilson & wife,
Benton Pool & wife,
Charles C. Buck & wife,
Raymond Phillips & wife,
Robert Holzgang & wife,
Albert Gangwisch,
J. P. Harr & wife and Bert Harr,
Wilber Cameron.

In addition to the above, the committee is promised right of way over lands of Vance-Anderson Co., R. J. Cameron estate, Pearce Mining Co., and Ralph Jennings, the owners assuring the committee that as soon as circumstances will allow, the necessary conveyances will be executed.

The committee has certainly been very successful in the prosecution of this enterprise, having in less than two weeks time secured rights of way from more than thirty different parties, which with the lands owned by the government and the O. & C. Ry. Co.

covers a distance of approximately 35 miles.

The committee will present a report of their doings to Mr. Allen in a few days, and it will then be up to him to make the next move in the matter.

OUTDOOR GAMES.

Locals Lose to Medford--Notes of the Game--Tennis, etc.

The locals were again defeated last Sunday by the Medford team by a score of 10 to 2.

The game was a rotten exhibition of baseball from start to finish. The old reliable started the fireworks at the first of the game, when two were down and two on bases he got a nice grounder and heaved it over first base by four feet, letting the visitors score twice. This took the sap out of the locals, except Willie McIntyre, who picked up courage and pitched like a veteran. Our boys stood only one show to even the score after that and that was in the sixth, when they had one man on third and one on second with Wilson up, but at this stage of the game Court Hall pulled Burgess out and put in Coleman, Wilson hit the ball but it was into the air and bought nothing. The boys are practicing hard this week and expect to make a better showing at the Pass next Sunday.

Ikey Dunford, who caught for the locals, did some good work with the willow, touching Medford's pitchers up for one two-bagger and a single, but Ikey's place is not behind the bat.

Curley Wilson who played third sack was certainly out of his place, as he knows nothing about the third sack game. He expects to be able to catch next Sunday at the Pass.

Duncan played his usual game at first last Sunday.

Ennis did not play up to standard Sunday, losing two nice ones in the field.

Chas. Dunford, who is one of the old reliables was sure on deck last Sunday at all stages of the game.

Last and largest of all is Manager Ulrich, who is utility man on the local team. Manager sure played a star game Sunday, getting a couple of put-outs, one hit and one assist.

Don't miss seeing the Cubs play Sunday.

J. P. Wells and Curley Wilson, who are representing the local tennis club, won their third successive tournament from the Medford club last Sunday by winning two out of three sets played. The Medford boys have built two expensive courts and much interest has been taken in tennis over there this season.

The local club is soon to organize and oil and fix up their court for the season. Any one who is interested in the game and cares about joining the club, call and see either Wells or Wilson.

The Jacksonville High School tennis club lost the first tournament of the season to Central Point High School last Friday.

COUNCIL MEETING

Adjourned Session held on Tuesday evening--Bond of Street commissioner approved--Sidewalks discussed.

The city dads met in adjourned session at the city hall, Tuesday evening. Present: Mayor Shaw; Councilmen Britt, Dunford, and Fick; Recorder Dox; absent Grieves.

The sidewalk proposition was discussed informally, but as the ordinance ordered drafted did not materialize, the matter ended for the present principally in talk. It was decided however to consult an engineer in regard to probable cost of surveying streets, establishing grades, etc.

The bond of Mr. Eaton, the new street commissioner, was presented and approved. Mr. Eaton being present, the oath of office was administered to him by Recorder Dox.

The water question was discussed but no new developments were reported.

Light Sparks.

By our Associate Editor.

Even if London society is to "spend \$15,000,000 in entertaining Mr. Roosevelt," we should like to wager that it will get its money's worth.

"What will we do with him? inquires the Charleston News and Courier, referring to Mr. Roosevelt. What, rather, will he do with us?"

The House is getting right mean and spiteful. It even refuses to pay for the gasoline in Speaker Cannon's automobile.

A little row among Republicans is always productive of a big jollification among Democrats, and then they get up a still bigger row, as Mr. Taft says.

Yes, Gladys; the "Marathon dance" is just as foolish as it sounds.

Only in Chicago can a man hypnotize his mother-in-law into speechlessness.

What about supplying the umpire an aeroplane or a dirigible this season so that he can overlook the whole game from a safe point and get away with his decisions if the crowd becomes belligerent.

The Pullman company will have to be "told again" before it will let go of the public throat.

Just now it would appear that Nick Longworth is more in fear of the Cincinnati machine than of pa-in-law.

HOUSEHOLD CARES.

Tax the Women of Jacksonville the Same as Elsewhere.

Hard to attend to household duties with a constantly aching back.

A woman should not have a bad back. And she wouldn't if the kidneys were well.

Doan's Kidney Pills make well kidneys.

Mrs. J. H. Baussam, living Cor. Twelfth & C. Sts. Medford, Ore., says: "I suffered so severely from kidney trouble that I was unable to do my housework. My kidneys were very irregular in action. My back pained me severely when stooping or lifting and sharp twinges would shoot through my loins. I ran down in health and at times felt very miserable. Doan's Kidney Pills were finally brought to my attention, and I procured a box. They helped me from the first, I continued taking them and was entirely cured. I have often recommended Doan's Kidney Pills to other sufferers."

Plenty more proof like this from Jacksonville people. Call at The City drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.
