THE JACKSONVILLE POST

Official Paper of the City of Jacksonville, Oregon

A weekly newspaper published every Saturday at the county seat of Jackson County, Oregon. D. W. BAGSHAW, Editor.

Entered as second-class matter June 22, 1907, at the post office at Jacksonville, Oregon, under Act of Congress of March 3, 1879.

SATURDAY, MAY 21, 1910

SUBSCRIPTION: One year by mail \$1.50. Advertising rates furnished on application.

We have recently received several communications without being accompanied by the name of the author which of course were not published. It is an imperative rule of every well ordered newspaper that articles intended for publication should be accompanied by the name of the author, not necessarily for publication but as an evidence of good faith. Articles personal in character should be published over the signature of the author; No person has any right to ask the publisher of a newspaper to publish and assume the responsibility for an article, to which the author is afraid or ashamed to sign his name.

Now is the time when the people in this city should all pull together, and bury the hatchet. Some persons are poking fun at the work of the right-of-way committee in securing rights for the railroad to the Blue Ledge; saying that "the road will never be built," etc. Don't try to discourage others; If you have no faith in your fellow man, your town, or your country, keep it to yourself, and if you must knock, take your little hammer and go out in the hills and beat a hole in the rocks. A city, like a house, divided against itself, shall fall.

From all over the state comes news of improvement and progress; Curry county's first bank opened for business last week. Surveys for proposed railroads are being made in many places; cities and towns are expending thousands of dollars for water systems and street improvements, and taken as a whole, the present year will witness more money spent in improvements in the State of Oregon than in any two years previous. The people are waking up to the needs of the hour.

The difference between the booster and the knocker is; the booster sees the doughnut, while the knocker sees only the hole in it.

Card of Thanks.

We take this method to thank the many kind friends for the aid during the illness and at the time of the death of our father.

Mrs. T. E. Shearer,
Miss Elsie Young,
Mr. W. H. Young & Family.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, O. Sold by all Druggists, Price 75 cents. Take Halls Family Pills for constipation.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have yellow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
