## TWO STATES

### To be Admitted to the Union--Taft Signs Bill for Admission Monday.

On Monday morning President Taft signed the statehood bill providing for the admission of New Mexico and Arizona into the Union as separate states.

The bill was a part of the administration's legislative program, and its passage was strongly urged by the president.

### Watkins Items.

Correspondence to The Post.

We are having some very cold weather at this writing.

Canby Buck was trading with Jacksonville merchants one day last week.

The entertainment given at the Palmer Creek school house last Saturday evening was a successful affair and enjoyed by the many that were in attendance. The program ending at eleven o'clock followed by a dance which continued until daylight the next morning.

Al Sturgis of Medford who spent a few days last week visiting friends on Upper Applegate returned to his home Tuesday.

Miss Emma Wendt who closed a successful term of school near Watkins last Friday returned to her home in Jacksonville last Wednesday.

Quite a number of people from Jacksonville attended the entertainment given at the Palmer school house last Saturday.

Anthony Watkins made a business trip to the Pursel Mill last Sunday.

### Buncom Reports.

Correspondence to the Post.

Considerable hay was damaged by the rain last week.

J. Parks was in Jacksonville Monday. Joe Hall was up to the mill the fore part of the week.

Mr. and Mrs. Wm. Arthurs who have been visiting friends on Little Applegate, have returned to Jacksonville.

Hollis and Ella Parks attended the entertainment on Big Applegate Saturday night.

Wm. Caton and wife of Ruch accompanied by Ed Smith and family

spent Sunday on Little Applegate.

Mrs. J. F. Crump was visiting Mrs. C. C. Pursel last week.

Miss Esther Pursel is visiting on Big Applegate, the guest of Mrs. Wilbur Cameron.

Married--In Jacksonville, June 14, 1910, John Sutton of Wolf Creek, age 35, and Permelia F. Dunlap of Ruch, age 63. They were made happy by the nice cakes and many presents which were handed to them by thoughtful friends. They will reside near Ruch.

Joe D. Daly of Buncom spent several days with his niece Anna E. Coffman in Jacksonville, recently.

Mrs. William Smith was visiting on Little Applegate Sunday.

Mrs. R. J. Jennings has returned from a visit with relatives at Klamath Falls.

Mrs. W. H. Bostwick of Williams, is visiting relatives on Big Applegate. Hollis Parks was at Ruch Monday.

### Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by all dealers.

### Speculators Encouraged.

The way in which the land speculator is encouraged by our assessors and tax laws is illustrated in the Huffman tract located about five miles southwest of the city, and about two miles from Council Crest, described as a part of Section 19, Township 1 S., R. 1 E. One tract of a trifle over 81½ acres is assessed for \$7,000 for the land alone, exclusive of improvements. This is less than \$86 an acre. The lowest price asked for any of this land by the owner is \$500 an acre--and then up. There are hundreds of acres of this sort of land in that section of the country held at similar figures. Some as high as \$1000 per acre. When unimproved, it is sometimes as low as \$300 to \$400, but its assessments are lower. Much of it is in Washington county. The conclusion is forced upon the observer that, if the land of Multnomah county was assessed at an average of half its value, not a cent need be collected from any other source, and especially from the cottage of the small home-owner.--Labor Press.

## DIFFERENT HERE

### While Rogue River Valley Enjoys Cool Weather Many Deaths From the Heat Occurs in the East.

The following despatches from the east, published in the daily papers Wednesday show a wide difference in temperatures between the places mentioned and this valley where the mercury has ranged around 85 degrees during the daytime and still lower in evenings and mornings.

Chicago, Ill., June 22.--A total of 31 deaths is recorded today since the beginning of the hot wave that has carried the mercury to the top of the tube in Chicago and vicinity.

The temperature began to rise again today and more fatalities were predicted. The humidity is intense. The maximum registered yesterday was 90 degrees.

New York, June 22.--Five deaths and 40 prostrations is the record of the heat wave here today in the last 24 hours.

Philadelphia, Pa., June 22.--Sixteen deaths in two days and scores of persons prostrated in the streets is the total of the heat wave in Philadelphia to date. No relief is in sight.

### PAY DEATH CLAIM

### Artisans pay widow of James Young \$813.70 in return for less than \$60.

Mrs. James Young received a warrant this week, from the United Artisans for \$813.70 being the amount due on account of the insurance held by Mr. Young in that society. The claim would have been paid sooner, but owing to a delay in sending in the death proofs the matter did not reach the head office in time for their May meeting, and so had to lay over until the June meeting of the board of directors when it was promptly allowed and paid.

As Mr. Young had in all, paid into the society less than \$60. for fees and dues the sum received by the widow is certainly a large return for the money invested.

## FOURTH OF JULY

### Will be Celebrated in Grand Style. Many Novel Features Arranged.

### Automobile Parade--Oration by Hon. C. N. McArthur--Ball Game--Horse Races--Athletic Games and Sports--Band Concert, etc.

The Committee in charge of the arrangements for the Fourth of July celebration have been working like beavers in their effort to get up something a little out of the usual stereotyped form of celebration, and we believe they have succeeded in arranging a program that will be interesting from start to finish and that at the same time will be in many features outside of the ordinary routine usually followed in arranging such celebrations.

In place of the usual array of teams drawing the decorated floats, etc., the committee has arranged that the Goddess of Liberty, "Angel of Peace," "Justice," "The States," the chairman, speaker, chorus, etc. shall all be in automobiles, handsomely decorated in national colors, etc. and that the procession forming the grand parade shall be almost entirely composed of automobiles, of which more than one hundred will be in line. This is a feature never before attempted in a Fourth of July celebration in Southern Oregon, and will be worth traveling a long distance to witness.

The parade will be directed by Sheriff Wilbur A. Jones, as marshal of the day, assisted by an able corps of assistants and aids.

The music will be furnished by the Silver Cornet Band of Medford, which will give a concert at the commencement of the festivities in the morning, and another one at the close of the day, besides discoursing patriotic airs and other appropriate selections at short intervals during the entire day. The proficiency and excellence of this band is so well known that our readers need no assurance that the musical part of the program will be satisfactorily performed.

A ball game between Jacksonville and Medford teams for a prize of \$100. will be one of the features of the day's entertainment and lovers of the game can depend upon seeing some fast and classy ball on this occasion.

Prizes will be awarded for horse races, pony races, mule races, bicycle races, foot races, etc.

At the court house, an excellent patriotic program, consisting of reading the Declaration of Independence, patriotic oration by Hon. C. N. McArthur, vocal and instrumental music, etc., will be rendered. This part of the entertainment will be in charge of Hon. H. K. Hanna, as chairman of the day. Hon. C. N. McArthur, of Salem, the gentleman who is scheduled to deliver the oration, is a speaker of more than average ability, and we may expect a rare treat upon this occasion.

Transportation facilities have been arranged, the management of the Rogue River Valley Railroad Company announce that thirteen trains will be operated between this city and Medford on this occasion, thus affording ample accommodations for the thousands who will attend.

The management extends a cordial invitation to all to attend this grand patriotic demonstration in this, the oldest and best town in Southern Oregon. Come out, bring your wives and families, your sisters and your cousins and your aunts and help make this an occasion long to be remembered. You are welcome, and you will enjoy it.

The following is the program as arranged; there may be some additions, or some slight changes made later.

### BASE BALL

### Local team defeats Grants Pass Score 5 to 2.

In as pretty a game of ball that has been played in this League or any League on the coast this year, Jacksonville defeated Grants Pass Sunday by a score of 5-2. The out fielders of both teams played like big Leaguers from start to finish. Anderson in right field running backward with the ball jumped in the air at least 10 feet and pulled down a long fly with his gloved hand. Gaskin coming in on a line drive over second at top speed and hooking the ball off his shoe string. Riggs running back with a drive from Ike Dunford's bat leaped high in the air and grabbed the ball off the center field fence, robbing Ikey of a home run, and the infielders don't let us forget them. They all played championship ball like Dunford and Duncan being particularly busy in the right side of the diamond.

But what about McIntire who pitched a perfect game with the help of Wilson's superior receiving. McIntire the boy wonder 17 yrs. of age and weighing 120 lbs., the best pitcher in the R. R. Valley League today and he is a local product born and raised in Jacksonville. He can't help being a ball player. His father was the mainstay behind the bat for Jacksonville in years gone by and by the way when Billy graduates to the big League we have another McIntire coming, Joe who is 12 yrs. old and pitching for the 4th team, and he is winning every game he pitches too.

### Notes of the Game.

McIntire had the Grants Pass slugger helpless with men on bases. Kenney Williams (the future Beaver) coming up with the bases full and hitting a dinky hit to the pitcher forcing a man at the plate.

Osborne pitched a steady game throughout and was really doing better toward the latter part of the game.

Grants Pass beat Medford, and Jacksonville beat Grants Pass and just leave it to us to beat Medford July 4.

Wils received Sunday and put up the best game of the season, he is also offered \$75. per month from the manager of the Coalina Base Ball Club.

Lu Strain played great ball Sunday while his fielding chances were few, he played good ball on the bases.

Smith at short played his regular game.

And what do you know about Ikey on second? he had about ten chances and got them all, Ikey's playing last Sunday was one of the features which made the game a spectacular one.

Captain Duncan certainly played his end of the game last Sunday on first base. In looking over the scores of previous games I find that Duncan's hits have scored more men than any other man in the team. Last Sunday first time up he landed on Osbourne drope for a 2 sacker scoring two men.

Gaskin, Ennis and Anderson all played big league ball in the field last Sunday.

Court Hall of Medford would like to get Anderson but hasn't got the price.

### Has A Good Team.

Jacksonville defeated the Grants Pass team at Jacksonville last Sunday by a score of 5 to 2. It was a good game throughout and Jacksonville with its four new men now has a good team.--Grants Pass Observer, June 22.

## CARRIES PASSENGERS

### Count Zeppelin's Airship Makes 300 Mile Trip Carrying 20 Passengers.

Dusseldorf, Germany, June 22.--The first regular airship passenger service inaugurated today when Count Zeppelin's great craft, the Deutschland, carrying 20 passengers, successfully made the first scheduled trip from Friedrichshafen, on the north shore of Lake Constance, to this city, a distance of 300 miles, in nine hours.

The weather was perfect and the motors worked faultlessly. The average time maintained for the complete course was approximately 33 miles an hour, but between Friedrichshafen and Stuttgart the 14 miles were covered at an average rate of 41 miles an hour, the best speed for a single hour being 43½ miles.

Count Zeppelin was at the helm when the Deutschland left Friedrichshafen at 3 o'clock this morning and sailed away on the trip that was to mark an epoch in aviation. The passengers were some of the directors of the Hamburg-American Steamship Company and the German Airship Stock Company, joint owners of the dirigible and guests.

The Deutschland is 485 ft. in length and 46 in width. It is equipped with a mahogany walled, and carpeted cabin, and a restaurant which will supply passengers with a buffet service such as is furnished on railroad trains.

Regular trips will be made, and many tickets have already been sold at prices ranging from \$50. to \$75.

### A New Back for an Old One--How it is Done in Jacksonville

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one.

A. Betz, living Cor. D and 6th St., Medford, Ore., says: "I suffered more or less from kidney trouble for four or five years. The disease did not bother me severely at first and I was under the impression that it would soon pass away. I steadily grew worse however, and soon began to suffer from such severe pains through my loins that I was unable to stoop. When feeling generally miserable a friend recommended Doan's Kidney Pills, I procured a box and began their use. They gave me prompt relief, and a continued use removed every symptom of the complaint. It gives me pleasure to recommend Doan's Kidney Pills to other sufferers, as they proved very satisfactory in my case."

Plenty more proof like this from Jacksonville people. Call at The City drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name--Doan's.
