VOL. IV.

JACKSONVILLE, JACKSON COUNTY, OREGON, JULY 16, 1910

NO. 11

## PORTLAND LETTER.

### Large Amounts Available For Improving Waterways--Burned-Over Timber of Northwest May Be Made Useful.

Portland, Or., July 12-(Special)-The outcome of an experiment to be tried with burned-over timber in Coos County by the Santa Fe Railroad will be watched with interest throughout the Pacific Northwest. If successful, it will mean that large areas of forest, formerly considered useless, will become valuable for the burned-over timber yet remaining. The Santa Fe has contracted for 1200 cedar piling, from such a tract in Coos County. If the charred piling proves a success, much more of the same material will be bought by the Santa Fe and a wide market will be found for this now apparently worthless timber.

Large appropriations for Oregon waterway improvements are available by the passage of the Rivers and Harbors bill by the recent Congress. More than \$1,000,000 will be spent in perfecting the jetty at the mouth of the Columbia River and additional funds are provided for dredging the Lower Willamette and Columbia rivers. The improvement of the upper Willamette and Columbia is provided for, as is the Celilo Canal, which gets \$500,000.

Together with the Great Northern, the Northern Pacific will carry on a work of exploitation of Oregon. Writers and publicity men are now being enlisted by the line to work up material to be used throughout the country in spreading the knowledge of Oregon broadcast. With the Hill lines actively engaged in the work of publicity, large results can be expected.

Attention is called by The Oregonian to the growth of the livestock industry in the Pacific Northwest. On one day of last week it says ten carloads of wheat were received at Portland and 40 carloads of livestock. It is maintained that the stock grower will become a more important factor in the prosperity of the state than the wheat grower within the coming ten years. Then there will be more wheat grown than at present but the livestock industry will have expanded to a remarkable degree by that time, due to Portland having the greatest stockyards and packing plant on the Pacific Coast. This means much to the city's future, it is believed.

## Buncom Reports.

Correspondence to the Post.

Mrs. W. R. Garrett and son Charley were visiting relatives in Medford this week.

B. Randolph who has been at Grants Pass has returned home to Buncom.

Mr. and Mrs. VanDyke and family of Medford, were visiting A. Kleinhammer and family Sunday.

Mr. Clemons and Mr. Owens of Jacksonville were viewing Sterling and Little Applegate Tuesday.

Mrs. Dora Cameron spent Sunday on Little Applegate the guest of Mrs. C. C. Pursel.

Mr. and Mrs. J. Sutton of Ruch were visiting relatives near Buncom Saturday and Sunday.

Mr. and Mrs. Carl Cox of Cal. are visiting on Little Applegate.

Z. Cameron was visiting in Medford Wednesday the guest of his daughter Mrs. Cora Lawton.

Mrs. Eliza Johnson of Buncom was visiting friends near Provoit last week. John Cantrall made a trip to Medford a few days ago.

Mr. and Mrs. A. B. Saltmarsh of Little Applegate were visiting on Big Applegate last week the guests of Mr. and Mrs. Benton Pool.

We are sorry to learn that H. H. Kubli is quite ill at this writing.

Mrs. John Devlin has been quite sick, but is better we are glad to say.

W. R. Garrett was up to Sterling yesterday.

Pursel Bros. are busy delivering lumber.

Ralph Jennings was up Little Applegate on business the forepart of the week.

Wm. Pursel is on the sick list.

We are sorry to say that M. R. Buck's family has the whooping cough.

Joseph D. Daly of Buncom did trading at Ruch a few days ago.

Antone Rose and wife had the misfortune to get their house burned to the ground, and nothing was saved. We are sorry for them.

R. J. Jennings has a number of men working on his new house, which will soon be completed.

We are glad to report that A. B. Saltmarsh is improving and wish him speedy recovery.

Miss Beulah Garrett is visiting in Medford.

**Dr. Bell's Antiseptic Salve**  
Good for all Skin Diseases.

## Light Sparks.

By our Associate Editor.

The Savannah News' suggestion that one may get too much watermelon sounds like rank treason.

A Missouri blacksmith has entered the Senatorial race against Mr. Warner. He will at once try to start an anvil chorus, of course.

Vice President Sherman has given up predicting when Congress will adjourn. He first fixed the day as June 10. Then he put it over until July 2; now he is naming no dates.

The latest report from Washington is that Congress does not give a dam for Green River.

Jeffersonian Democracy of Pat' at Tom Taggart has dropped off the mark and picked up the bludgeon. He's going to "clean up" on those who just "cleaned up" on him.

The House has at last passed the postal savings bank bill. The measure will go to conference, and before the adjournment of Congress there will be legislation on the important question.

It has taken long years of agitation to bring it about, but it has come finally. It ought to result in largely increasing the savings of the American people.

The announcement that not one cent of the hookworm fund will be spent in Texas probably means that the intensely emotion nature of Texas politicians at this time proves complete freedom from the apathy-producing hookworm infection.

Some Congressmen think they have done their full duty to their constituents if they succeed in knocking \$2.50 off of the President's traveling expenses.

Bryan's Commoner is issued only once a week, and therefore cannot be expected to give publicity to all of Mr. Bryan's paramount issues.

Be it everlastingly remembered of Eugene Hale, who is about to retire, that he was against spending all of the revenue for battle ships, and did not believe in aggrandizement of territories and indulgence in foreign wars.

The Nicaraguan insurgents were just hungry enough to eat up the enemy.

There is no such thing as luck. If you are a small eater and a slow eater, you are lucky.

## Summer Colds

Are harder to relieve than winter ones but they yield just as readily to treatment with Dr. Bell's Pine-Tar-Honey. Sold at City Drug Store. Look for the Bell on the Bottle.

## COUNCIL

### MEETING

#### Held Wednesday Evening--Special Election Called For Voting Water Bonds.

An adjourned session of the city council was held Wednesday evening. Present: Mayor Shaw; Councilmen Britt, Dunford, and Grieve; Recorder Dow.

The main purpose of the meeting was the consideration of Ordinance No. 129, providing for a special election, submitting to a vote of the people the question of an issue of water bonds to the amount of \$30,000 and repealing Ordinance No. 125, passed last year for the same purpose.

As the bonds voted at the former election failed to sell, owing to certain restrictions as to the time of their maturity it was deemed necessary to call for a new issue without the objectionable features of the former. The councilmen present were unanimous in their opinion of the necessity of an election, and upon the final passage of the ordinance, it received the affirmative votes of those present, including Mayor Shaw.

On motion the frame shack on lot belonging to Main & Winchester was declared condemned and ordered removed.

Council adjourned to meet at the call of the mayor.

### Taken to Hospital

Mrs. Elizabeth Ryan an aged resident of this City was removed to the hospital for the insane at Salem, Wednesday.

Mrs. Ryan, who has been a resident of this place for many years, and is well known and highly respected, has been in ill health for some time, following the death of her husband which occurred in 1908, and lately her mind has given way to such an extent that at times she has been insane and was so adjudged by the county judge, this week.

Her son, Luke Ryan, of this city has done everything, and provided everything that could be done or provided in the matter, but all seemed of no avail, her condition seemed to grow worse day by day, and at last he reluctantly agreed to her removal, thinking that a change of scene and attendants would prove beneficial.

The many friends of the unfortunate lady and her grief-stricken son, hope for her speedy and complete restoration to mind and memory.

### Work 24 Hours A Day.

The busiest little things ever made are Dr. King's New Life Pills. Every pill is a sugar-coated globule of health, that changes weakness into strength, languor into energy, brain-fog into mental power; curing Constipation, Headache, Chills, Dyspepsia, Malaria. 25c at City Drug Store.

### Officers Installed.

At a regular meeting of Ruth Rebekah Lodge held Monday evening the following named persons were installed as officers for ensuing term by installing Officer Sister Margaret Taylor, viz: Sister Dunford, Noble Grand; Sister Jones, Vice Grand; Sister Thompson, Recording Secretary; Sister Crone-miller, Treasurer; Sister Taylor, Financial Secretary; Sister McClelland, Warden; Sister Abbott, Conductress; Sister Brown, Inside Guardian; Brother Brown, Outside Guardian; Sister Ulrich, Right Supporter of Noble Grand; Sister Hines, Left Supporter of Noble Grand; Brother Hege, Right Supporter of Vice Grand; Sister Walsh, Left Supporter of Vice Grand; Sister Hege, Chaplain.

### Fire at Phoenix.

Weeks Bros' planing mill and furniture factory, and a few small houses near, at Phoenix were totally destroyed by fire, just before noon Wednesday.

The planing mill and factory were old institutions, having been in operation for fifty years and the products had obtained an enviable reputation throughout Southern Oregon and California.

The fire caught from a spark from the engine. Loss estimated at \$10,000.

## INITIATIVE PETITIONS.

### Filed With Secretary of State--Six Filed Last Day--Total 32

Thirty-two initiative petitions had been filed with the Secretary of State when the hour for closing the filing arrived July 7, and that number of bills will appear on the ballot for the November election. Several of the bills are of state-wide interest only. Six of the petitions were filed on the last day for filing such petitions. The 32 bills to be printed on the ballot are:

A constitutional amendment providing for restricting the creation of new counties.

A bill to provide for proportional representation in the Legislature.

A bill to extend the primary elections.

A bill for the inspection of public offices and the publication of an official gazette.

A constitutional amendment providing that three-fourths of a jury may find a verdict in a civil case and modifying the state's system of legal procedure.

A constitutional amendment providing for the raising of funds for improvement of highways.

Woman's taxpaying suffrage amendment granting to all taxpayers the right of suffrage.

A bill for the establishment of an Eastern Oregon branch State Insane Asylum.

A bill to elect delegates to a constitutional convention the second Monday in October, 1911.

A constitutional amendment to provide a separate district for the election of each State Senator and each State Representative.

A constitutional amendment to cause taxes to be collected for public purposes only and providing the power of taxation shall never be surrendered, suspended or contracted away.

An amendment providing for state railroad building.

An amendment directing a uniform rule of taxation.

An act to increase the salary of the judge of the Eighth Judicial District.

An act to create the county of Nesmith.

A bill to provide for the maintenance of the normal school at Monmouth.

A bill to create the county of Otis.

A bill to annex a portion of Clackamas County to Multnomah.

A bill to create the county of Williams.

An amendment providing for people of each county to regulate taxation exemptions.

An amendment giving cities and towns control over sale of liquor.

A bill for liability of employers.

A bill to create the county of Orchard.

A bill to create the county of Clark.

A bill for the support and maintenance of the normal school at Weston.

A petition for the annexation of a portion of Washington County to Multnomah County.

A petition to establish and maintain a Normal School at Ashland.

An amendment to section 35, article 1, of the constitution to prohibit the sale of liquor.

An initiative bill to prohibit the sale of liquor.

A petition to create an "Employers' Indemnity Commission."

A petition to prohibit fishing on Rogue River.

A bill to create the county of Deschutes.

**Help for Those Who Have Stomach Trouble.**

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa. This medicine is for sale by all dealers. Samples free.

### California Oil Production

California now is, for the first time, in a position to guarantee the United States government that it can provide all of the fuel oil that the navy may require for years to come and that the supply is permanent and can be delivered at tidewater at all times in such quantities as may be desired.

Just now the most important considerations confronting the petroleum producers of California are the perfecting of banking arrangements for

securing liens on oil storage facilities to care for the constantly increasing production of the precious fluid.

The California Independent Oil Producers' Agency, which controls the petroleum situation in California, despite the Standard's activities, has charge of the work of arranging banking facilities for handling the oil. The agency purposes to organize its own bank, provided a satisfactory plan cannot be evolved with local financial institutions.

What the Agency is seeking to accomplish is securing of loans on oil storage certificates that may be issued by the Agency, the latter to repay the loans after the sale of the oil, but in no case to deliver oil to lenders holding certificates, thus preventing any coup that might be attempted by the Standard to gain control of the oil supply of this state.

It is intended that the storage company that is to be organized among the independent operators shall provide facilities for storing 10,000,000 barrels of oil. The agency now has 3,000,000 barrels of oil in storage and at the present rate of production of the independent companies this figure soon will be increased to 5,000,000 barrels.

### Chronic Sore Eyes

Are easily cured with Sutherland's Eagle Eye Salve. It is painless and harmless and guaranteed. 25c a box. Sold by City Drug Store.

### The Telepost.

The telepost is a new method of telegraphy, that can transmit 1,000 words a minute over any wire, using telephone wires without breaking the conversations that may be going on. This is done by first writing the message on a machine that perforates paper, like music is perforated for use on piano-players, and this paper is run through the telepost instrument at any speed, delivering the message on a machine at the other end. The new device is already in operation between the larger cities, and rapidly extending its lines, which accounts for the recent offer of the Western Union to send messages of fifty words for 25 cents to any point for delivery next day by post-office. This new machine will do away with the old-time telegrapher. It will displace tens of thousands of key-men, and will deliver the message as accurately as it is written at the point of sending.—Ex.

Call at the Boss, for some of that delicious candy.

Chautauqua, Ashland, Oregon. July 12-22, 1910, Ex-Governor Folk and other big attractions. Write for Booklet.

## HIDDEN DANGERS.

Nature Gives Timely Warnings That No Jacksonville Citizen Can Afford to Ignore

**DANGER SIGNAL NO. 1** comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

**DANGER SIGNAL NO. 2** comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently.

Mrs. Leda Powell, living at 250 Ashland St., Ashland, Ore., says: "I am so grateful for the great relief I have received from Doan's Kidney Pills that I gladly recommend them. I suffered from severe pains in my back, headaches and was in a generally run down condition. I was told to try Doan's Kidney Pills and decided to do so. I felt much better from the first, and almost before I knew it I was free from the trouble. I have not had any pain since and can conscientiously recommend Doan's Kidney Pills as a remedy that acts up to its representations."

Plenty more proof like this from Jacksonville people. Call at The City drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

Remember the name—Doan's, and take no other.
