Mass Of Flames

A news letter dated at Calgary, Alberta, July 16, says: "That the foothills of the Rockies are a mass of flames, for forest fires are raging through the heavy timber belt which lies along the boundary between Alberta and British Columbia.

These fires have been burning several days, but it was only last night that they assumed serious proportions. Already the loss to the timber has been heavy. To the southwest of Pridis a bad prairie fire is running and will soon meet the fires in the bushes, that the situation is serious is admitted. Owing to the dry weather, the bush is in just the condition when bad fires may be expected, and especially when aided by a wind such as was blowing today."

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health.

Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help.

They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
