**A Handsome Woman**

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold every where. Price 25 cents.
