Whooping Cough

It is an old saying that whooping cough must run its course, but the use of Dr. Bell's Pine-Tar-Honey has demonstrated beyond doubt that such is not the case. It can be cured by the use of this remedy.

A Good Position

Can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute of Portland, Ore., operates six official institutes in America, under supervision of R. R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details.

Washing Money.

It is said that during the year 1909 paper bill representing \$200,000,000 were removed from circulation and destroyed by the government. Much of this could have been saved and made as good as new had there been any suitable means available for washing the bills. The Director of the United States Bureau of Printing and Engraving has just purchased a bill-washing machine. The machine was originally built for washing clothes, and is so constructed that it automatically compresses air in chambers at the end of the box in which the material to be cleansed is placed, by a motion imparted to the apparatus from the upright handle. The compression of the air at the ends has a tendency to force the water through the articles placed in it, and it is by this process that the filth is quickly and perfectly removed from paper bills.
 Only a moment is required to thoroughly cleanse a bill, so very effective is the machine's action, yet it will not tear or otherwise disfigure them.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal purgatives reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and help to fulfill their proper functions. So mild and gentle do they act that one hardly realizes they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
