

JACKSONVILLE POST

Official Paper of the City of Jacksonville, Oregon

A weekly newspaper published every Saturday at the county seat of Jackson County, Oregon. D. W. BAGSHAW, Editor.

Entered as second-class matter June 22, 1907, at the post office at Jacksonville, Oregon, under Act of Congress of March 3, 1879.

SATURDAY, NOVEMBER 19, 1910

SUBSCRIPTION: One year by mail \$1.50. Advertising rates furnished on application.

Among the measures approved by the people at the recent election is the amendment to the constitution, changing terms of judges, etc. and providing that in civil cases three-fourths of the jury may render a verdict. This is quite a change from the present system, but whether for the better or worse, time alone can tell. The section relating to this matter is as follows:

"Section 5. In civil cases three-fourths of the jury may render a verdict. The Legislative Assembly shall so provide that the most competent of the permanent citizens of the county shall be chosen for jurors; and out of the whole number in attendance at the court, seven shall be chosen by lot as grand jurors, five of whom must concur to find an indictment. But provision may be made by law for drawing and summoning the grand jurors from the regular jury list at any time separate from the panel of petit jurors, and for the sitting of the grand jury during vacation as well as session of the court, as the judge may direct. No person shall be charged in any circuit court with the commission of any crime or misdemeanor defined or made punishable by any of the laws of this State, except upon indictment found by a grand jury; provided, however, that any district attorney may file an amended indictment whenever an indictment has, by a ruling of the court, been held to be defective in form."

Ballard's SNOW LINIMENT
Is the Right Remedy for All Abrasions of the Flesh.
If the wound is cleansed and the liniment applied promptly, the healing process begins at once and the wound heals from the inside outwardly, thus performing a perfect cure that leaves no scar. If the wound heals on the outside too quickly, pus forms under the surface and breaks out into a running sore that is hard to cure and inevitably leaves a bad scar.
Owners of blooded stock prefer this liniment to all others for that reason, and they use it not only on fine animals, but on human flesh, as it does its work quickly and thoroughly.
Price 25c, 50c and \$1.00.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, brightly eyes and sprightly movements cannot exist. Internal arrangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
