

## PORTLAND LETTER.

Scenic Highway to Crater Lake--Portland is Mecca for Wool Growers of United States.

Portland, Or., Dec. 29 (Special)—When the annual convention of the National Wool Growers' Association opens in Portland January 4, it will be the biggest and most important gathering of sheep raisers in America for years. Questions of vital importance to the sheep industry are to be considered and the future policy of the wool interests will be outlined.

According to these high in the councils of the organization, little support for the wool men may be expected either from President Taft or the next Congress. Both, it seems, are determined to lead Schedule K to the slaughter in revising the tariff bill. The friends of the threatened schedule would leave the subject to the Tariff Board but it is said President Taft feels that the public expects further tinkering with the rates on wool and woolsens and he is determined to accede to their demands.

It is felt by the wool men that their side of the case has never been presented to the public fairly, while on the other hand they charge the agitation that has arisen against them to the mudslinger and muckraker in the sensational magazines.

"Schedule K," said D. O. Lively, chairman of the general arrangements committee, "will be the meat of the cocanut as far as the convention is concerned. It is the life of the wool trade and when it is threatened the existence of the wool industry is in danger. Woolgrowers all over the country are alarmed at the rapid advancement of the sentiment for a change in the wool schedules of the tariff."

The program, as now outlined, includes many speakers of national prominence, who will speak on tariff matters and other subjects of vital importance to the wool industry.

A great sheep and goat show will be held in connection with the convention, which meets at the armory and prize animals from all over the country will be on exhibition. Breeders and wool men are taking unusual interest in the approaching session and they will attend in very large numbers, it being expected that no less than 6000 people directly interested in the sheep business will be in Portland during the four days of the convention.

Oregon may one day have the most beautiful scenic highway in the world, for the new road now under construction to Crater Lake from Medford is said by experts to be superior to any on this continent or through the Alps in the grandeur of its scenery. Road experts of the Government in charge of the work say the new highway will have no superior anywhere and characterize the work as "Forty five miles of macadamizing through the greatest scenic section of the world."

The Oregon Agricultural College will commence its annual special short courses for farmers on January 3 and the instruction to be offered this year is probably the best since these courses were started several years ago. Experts in the various branches have been secured and the special work will extend over a period of six weeks.

Wanted—Fresh milk cow, one that will give not less than 4 gallons. Address J. M. Schmidt, Box 705, Medford, Oregon.

Insure your buildings, automobile, etc. in the St. Paul Fire & Marine Insurance Co. D. W. Bagshaw, Agent.

### A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal arrangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
