VOL. IV.

JACKSONVILLE, JACKSON COUNTY, OREGON, DECEMBER 31, 1910

NO. 35

FELL FROM WINDOW

Nan Nickell, Daughter of Charles Nickell, of Sterling Falls Five Stories at Los Angeles.

Word has been received from Los Angeles that Nan, the six-year-old daughter of Charles Nickell, recently fell five stories from a hotel window in the Hotel Hayward, sustaining a broken limb and other injuries.

The little girl was playing in the apartment occupied by her parents, the window being open it is supposed that she lost her balance and fell to a netting on a roof near the ground.

Buncom Reports.

Correspondence to the Post.

Mr. and Mrs. Jake Parks were visiting Mr. and Mrs. M. R. Buck recently.

Mr. and Mrs. William McCallister of Murphy were visiting home folks and relatives near Buncom last week.

Magnes Hall and family of Jacksonville spent Christmas with relatives up Little Applegate.

Arthur Kleinhammer and wife attended the dance at Amos McKee's last Monday night.

J. F. Crump and family spent Christmas in Medford.

W. R. Garrett is doing some good road work near Buncom.

Mrs. R. J. Cameron who spent Christmas at home has returned to Medford.

Ed Saltmarsh enjoyed the party at Amos McKee's.

Try it, Try it

Try Dr. Bell's Antiseptic Salve for all skin troubles. It is as pleasant as sweet cream and guaranteed to give satisfaction in worst cases. 25c a box. Sold by City Drug Store.

Oregon Sidelights.

Buena Vista district is improving roads.

The little town of Alsea is now aglow with electric lights.

School census indicates that the population of The Dalles is 8380.

Man near Union with a big band of

sheep fed the first hay last week.

A Macksburg turkey sent to Portland market last week weighed 37 pounds.

Every dollar expended on our roads gives us increased land values, truly remarks the Clatskanie Chief.

East Oregonian: We are finding out what W. J. Furnish and Dr. Coe think of each other (and Jim Kaley?)

Some farmers around Brownsville have been receiving about \$10 per month per cow for milk sold to the creamery.

Eugene cannery shipped a carload of canned prunes to Sioux Falls, Iowa. Thus Oregon gets partly even for those Iowa eggs, butter and bacon.

Curry county's 65 miles of thermal belt is the most equable in the world, and is practically exempt from fog south of Cape Blanco, claims the Post.—Oxford Tribune.

Silverton Appeal: We have purchased a typewriter and are laboring hard to master the same. The fact is we don't know any more about the machine than a rabbit does about hoeing oats, but we are in hopes of learning.

A big farmer near Union has had his men at work plowing sod all fall, this work continuing up to this week, and the men are still at it, says the Republican. This is an indication that the winter thus far in the Grand Ronde has not been very severe.

Scappoose correspondence of Clatskanie Chief: If anyone should ask if Scappoose wants saloons, please refer them to the saloon petition, which shows not over half a dozen of our representative men. Most of the other names are a puzzle to pronounce and the men do not live in this town and a great many of them are known to our people.

Silverton Appeal: A lost purse which was advertised in the Appeal last week was brought to the office by an honest and upright young man. It proved to be the property of one of our estimable young women, who called at the office and satisfactorily identified the same. No less than four people came to the office and stated they had lost purses containing all the way from \$2 to \$10. It might be barely possible the finders of these purses are waiting for the losers to make known their losses through the columns of this paper.

The Newport council is considering the matter of a public dock. The Toledo Leader says: "It is sincerely hoped that the city may secure a public landing place for boats. Much of Newport's trade comes from the

water. There are more than 100 launches on the bay, but heretofore but a small per cent of them go to the resort city because there is no place but private docks at which to tie up.—Journal.

Eczema

Is considered hard to cure. Try Dr. Bell's Antiseptic Salve and you will change your mind. You will see an improvement from the first application. Sold by City Drug Store.

WASHINGTON LETTER

Secretary of Agriculture has Power to Prevent Grazing on Public Lands.

Washington, Dec. 30.—The misconception which has led stockmen to suppose they might graze their stock on the National Forests without taking out a permit and paying the grazing fee was due to the decision rendered by the Supreme Court of the United States last March, affirming a decision of the United States district court for the southern district of California, by Judge Wellborn, that violation of the grazing regulations is not punishable as a crime. This decision of the Supreme Court, however, was by an even division of the Justices, and therefore did not decide the general question one way or the other, but merely affirmed the decision of the lower court in the particular case. The Supreme Court has granted a rehearing of the case, in order that the question may be passed upon by a full bench and authoritatively settled, and this rehearing will soon take place. But the authority of the Secretary to prevent grazing except in accordance with his regulations does not, it is pointed out, depend upon affirmation of the power of the Government to punish violation of the regulations as a crime. This is made clear by the action in two of the New Mexico cases; while the third case illustrates the fact that the affirmation of Judge Wellborn's decision by the Supreme Court has no binding force in cases other than the particular one then before the court.

For Eczema, Tetter and Salt Rheum.

The intense itching characteristic of these ailments is almost instantly allayed by Chamberlain's Salve. Many severe cases have been cured by it. For sale by all dealers.

THE ONLY WAY

Many Jacksonville Citizens Have Discovered It.

Just what to do when the kidneys are affected, is a question that concerns both young and old. Weak kidneys neglected in childhood lead to life-long suffering. People of advanced years, with less vitality, suffer doubly. In youth or age, languor, backache, urinary irregularity, dizziness and nervousness make life a burden.

There is one remedy that acts directly on the kidneys and cures these troubles. Doan's Kidney Pills cure their world-wide fame to the fact that they cure sick kidneys and cure them permanently. Follow the example of this Jacksonville citizen and you will be convinced that this is so. John Kremer, farmer, Jacksonville, Ore., says: "For years I suffered from kidney trouble and although I used one remedy after another, I was unsuccessful in finding relief until I commenced taking Doan's Kidney Pills. They proved so beneficial that I am only too pleased to give them my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

To Our Friends and Patrons

We desire to thank you for the many favors extended us during the year now closing and to assure you of our appreciation.

Wishing you a Happy New Year and the best of all things which life, health, effort and accomplishment can offer for 1911 and the years to come.

Sincerely Yours,

Ulrich Brothers

January 1, 1911.
